

November 8, 2019

Mr. Morris Woodruff
Secretary of the Commission
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Mr. Woodruff:

The tariff sheets listed below issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company) were filed as a revision of Schedule No. 6, Schedule of Rates for Electricity, on November 8, 2019:

<u>Filed</u>	<u>Canceling</u>
4th Revised Sheet No. 163	3rd Revised Sheet No. 163
6th Revised Sheet No. 163.1	5th Revised Sheet No. 163.1

These tariff sheets are being issued November 8, 2019 to become effective on and after December 8, 2019.

The purpose of the proposed tariff revisions are to extend the Voluntary Green/Pure Power pilot program through June 30, 2020. The current tariff had contemplated that the current program would either be made permanent (removed from pilot status) or terminated by the end of 2019. However, after discussion with other parties, the consensus was to extend the pilot while parties continue to discuss and consider changes that Ameren Missouri has proposed in conjunction with eliminating the pilot status of the program.

The proposed tariff revision was provided to Missouri Public Service Commission Staff and the Office of Public Counsel prior to filing.

Sincerely,

Jermaine Grubbs
