Re: Tariff Filing to Change the Infrastructure System Replacement Surcharge
Case No. GO-2015-0269

Dear Secretary:

On April 17, 2015 Laclede Gas Company (“Company”) filed P.S.C. MO. No. 5 Consolidated, Twenty-Fourth Revised Sheet No. 12 to change the Infrastructure System Replacement Surcharge (“ISRS”) applicable to the Laclede Gas operating unit of the Company. Subsequently, on May 1, 2015, the Staff of the Commission submitted a memorandum recommending that the Commission issue an order in this case authorizing “Laclede to file an ISRS rate for each customer class as reflected in Appendix B” of such memorandum. The ISRS rates reflected in the aforementioned tariff sheet are identical to the rates in Staff’s Appendix B with the exception of the rate for Vehicular Fuel. Accordingly, the Company has revised the attached Sheet No. 12 to reflect the ISRS rates recommended by Staff, including Vehicular Fuel, and respectfully requests that the Commission substitute such tariff sheet for the corresponding sheet the Company filed on April 17.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

/s/ L. Craig Dowdy
