SERVICE CONNECTIONS - LINK UP MISSOURI

NOV 19 1997

Applicability of Link Up Missouri Service Connection Program

1. The Link Up Missouri Service Connection Program is a Federal Lifeline assistance program applicable to eligible residential subscribers, as defined below, and designed to promote subscribership to the telephone network among low income residential households.
 - a. Service Connection Charges, as set forth in this tariff¹, for initial installation of the main residential service access line, will be discounted at a rate of 50 percent or \$30.00, whichever is less. These reduced charges shall be assessed only for a single residential telephone line per eligible household at the principle place of residence.
 - b. The customer may defer payment on up to \$200 of the above charges without interest for a period not to exceed one year. The deferred charges do not include any permissible security deposits required. Payments shall be equally paid over a twelve month period.
 - c. A qualifying low-income customer may choose either a or b, or both a and b as described above.
 - d. Link Up assistance is available for a second or subsequent time only for a principal place of residence with an address different from the residence address where assistance was previously provided.
 - e. The premises at which the residence service is requested must be the applicant's principal place of residence.
 - f. There is only one telephone line serving the residence premises. The residence premises household (dwelling unit) shall consist of that portion of an individual house or building or one flat or apartment occupied by a single family or individuals functioning as one domestic establishment.
 - g. Link Up will not be furnished on a Foreign Exchange service.

¹ These do not include other charges that may be required at the initiation of service such as security deposit, contributions in and of construction, customer advances, etc.

6. Service Connections - Link Up Missouri

MISSOURI

A. Applicability of Link Up Missouri Service Connections **Public Service Commission**

1. The Link Up Missouri Service Connection Program is a Federal Lifeline assistance program applicable to eligible residential subscribers, as defined below, and designed to promote subscribership to the telephone network among low income residential households.

a. Service Connection Charges, as set forth in this tariff¹, for initial installation of the main residential service access line, will be discounted at a rate of 50 percent, not to exceed \$30.00. These reduced charges shall be assessed only for a single residential telephone line per eligible household at the principle place of residence.

2. Eligibility Requirements

The following requirements shall be used by the company to determine the eligibility of a subscriber for Link Up Missouri assistance.

- a. Subscribers must have lived at an address where there has been no telephone service for at least three months prior to the date that assistance is requested.
- b. Eligible subscribers must not have received this assistance within the last two years.
- c. Subscribers must not be a dependent for federal income tax purposes, unless the subscriber is more than 60 years of age.
- d. Subscriber is currently receiving MEDICAID/medical assistance payments from the State of Missouri, and has provided their Department of Social Services Client Number (DCN) to the Company.

Of the eligibility requirements listed above, items a., b., and c., will be certified by the subscriber, and item d. will be State certified by the Department of Social Services.

¹These do not include other charges that may be required at the initiation of service such as security deposits, contributions in aid of construction, customer advances, etc.

LIFELINE SERVICE

A. General Regulations

1. Lifeline service is available to qualifying low-income subscribers for single-party residence service.
2. The monthly discount will be the maximum amount allowed by the Missouri Public Service Commission and the Federal Communications Commission; however, this discount will not exceed the sum of the federal subscriber line charge and the recurring charges for voice telephony service. The monthly discount will be the same for Lifeline customers solely subscribing to voice telephony service and for Lifeline customers subscribing to a bundle of services.
3. Lifeline will not be furnished on a Foreign Exchange service.
4. Lifeline service shall not be disconnected for non-payment of toll charges.
5. Toll blocking provides a means of restricting access to the Long Distance Message Telecommunications Network. Toll blocking for the purposes of lifeline service will restrict 1+, 0+ and 0- (operator handled) calls.
 - a. If the customer chooses "toll blocking" the company will not charge a service deposit.
 - b. Toll blocking is offered to Lifeline subscribers at no charge.

ACCESS SERVICES TARIFF CONCURRENCE

Access Services

Access services are those services which are described in the Access Services Tariff of Oregon Farmers Mutual Telephone Company. These services are offered by the Company to intrastate interexchange customers (ICs) in accordance with the rules and regulations specified in the Access Services Tariff of Oregon Farmers Mutual Telephone Company and approved by the Missouri Public Service Commission, and in any amendments thereto and authorized by the Missouri Public Service Commission or applicable law. The Company does not concur in the rates for access services of Oregon Farmers Mutual Telephone Company. Rates for these services are set out in the following pages of this concurrence.

Provision of Services

The Company, to the extent that such services are or can be made available with reasonable effort, and after provisions has been made for the Company's telephone exchange services, will provide to an intrastate IC, upon reasonable notice, services of the type offered in Oregon Farmers Mutual Telephone Company's Access Services Tariff pursuant to the terms and conditions specified therein and at the rates specified in the following pages of this concurrence. The Company's concurrence in Oregon Farmers Mutual Telephone Company's Access Services Tariff shall not be construed or deemed a representation that all services and service components described therein are available from the Company.

Cancellation Rights

The Company reserves the right to cancel and make void the above concurrence statement, subject to requirements as may be ordered by the Missouri Public Service Commission, at any and such time as it appears that such cancellation is in the best interest of the Company and/or its customers.

A. General Regulations (Cont'd)

- 10. Installation Charges and the appropriate NID material charge apply when a premises visit is made for the sole purpose of installing a customer requested NID.
- 11. The Company shall not be liable for shortages of coins collected and deposited at the subscriber's equipment. The limit of the Company's liability for end user fraud of whatever nature occurring at or in association with the subscriber's equipment shall be governed by provisions of this Tariff and rule or regulations of the Missouri Public Service Commission. In case of conflict between the tariff provisions and Commission rules and regulations, the rule or regulations shall prevail.
- 12. Off-Premise Extensions are not permitted.
- 13. Local messages from Payphones are charged at no higher than twenty-five (25) cents for each call. Upon implementation of the FCC rules preempting state regulations of payphone rates, this subsection will not apply.
- 14. The Multiline Business Subscriber Line Charge, found in the interstate access tariff, is applicable to all payphone Instrument and CO Implemented coin lines.

B. Responsibility of the Customer

- 1. The Customer for the purposes of this tariff is defined as the Payphone Service Provider.
- 2. The customer shall be responsible for the installation, operation and maintenance of the customer-provided instrument, plus all ancillary equipment, such as booths, shelves, lighting, directories, etc., used in connection with this service. The customer is responsible for complying with the requirements set forth in the American With Disabilities Act of 1990.

The customer-provided instrument must be registered in compliance with Part 68 of the FCC's Registration Program. In addition, the customer must comply with the Missouri Public Service Commission's Rules and Regulations regarding the use of customer-provided pay telephones.

MISSOURI
PUBLIC SERVICE COMMISSION

1. Application of Regulations

- A. The regulations set forth herein apply to intrastate services and facilities furnished within the State of Missouri Telephone Company hereinafter referred to as the Company, subject to the jurisdiction of the Missouri Public Service Commission. These tariffs cancel and supercede all other tariffs of the Telephone Company issued and effective prior to the effective dates of these tariffs.
- B. When services and facilities are provided in part by the Company and in part by other companies, the regulations of the Company apply to that portion of the service or facilities furnished by it.
- C. Failure on the part of customers to observe these rules and regulations of the Telephone Company, after due notice of such failure, automatically gives the Telephone Company the privilege to cancel the contract and discontinue the furnishing of service.

2. Undertaking of the Company

CANCELLED

- A. The Company does not undertake to transmit message, but offers the use of its facilities, where available, for communication between parties subject to the terms and conditions specified in these tariffs.

- A. The Company is not obligated to establish, furnish, or continue to furnish service to any individual or firm that owes for service previously rendered at the same or a different address, until arrangements have been made to liquidate such previous indebtedness to the Company. In order to insure the payment of all charges due for its service, the Company may require any customer to establish and maintain his credit in one of the following ways:
1. By furnishing acceptable credit references to the Company.
 2. By providing a suitable guarantee in writing, in a form prescribed by the Company.
 3. By means of a cash deposit.
- B. The Company shall be the sole judge as to whether or not the references or guarantee in writing are acceptable.

9. Deposits

- A. The Company may require an applicant or an established customer to make a deposit to be held by the Company as a guarantee of the payment of charges subject to the following conditions;
- B. The Company may require a deposit or guarantee as a condition of service if the customer or applicant is unable to establish that he or she had a previous service account with a telephone utility for a period of at least twelve (12) months for which all undisputed charges were satisfactorily paid; or

H. Upon discontinuance or termination of service, the deposit shall be credited, with accrued interest, to the charge stated on the final bill and the balance, if any, shall be returned to the customer within twenty-one (21) days of the rendition of such final bill.

I. Upon satisfactory payment of all undisputed charges during the last twelve (12) billing periods, the deposit shall, with accrued interest, be promptly refunded or credited against charges stated on subsequent bills. Payment of a charge is satisfactory if received prior to the date upon which the charge becomes delinquent provided it is not in dispute. The Company may withhold refund of a deposit pending the resolution of a dispute with respect to charges secured by such deposit.

J. The deposit shall bear interest of nine (9) percent per annum which shall be credited annually upon the account of the customer or paid upon the return of the deposit, whichever occurs first. Interest shall not accrue on any deposit after the date on which a reasonable effort has been made to return it to the customer.

K. A guarantor shall be released upon satisfactory payment of all undisputed charges during the last twelve (12) billing periods. Payment of a charge is satisfactory if received prior to the date upon which the charge becomes delinquent provided it is not in dispute.

L. At the option of the Company, a cash deposit may be refunded or credited to the customer at any time prior to termination of service or the customer's twelfth billing period. In the case of a cash deposit interest is paid for the period during which the deposit is held by the Company, provided the period is thirty (30) days or more.

M. The fact that a deposit has been made shall in no way relieve the applicant or customer from complying with the Company's regulations as to advance payments and payment for service, nor constitute a waiver or modification of the regulations pertaining to the discontinuance of service for nonpayment of any charges due the Company for services rendered. FEB 10 1982

- B. When the customer has had service discontinued within the last twelve (12) months or where the customer incurs toll or other charges at any time during the billing period which are equal to at least 400% of the amount of the deposit or guarantee previously required from the customer, payment may be demanded for toll charges by a telephone call to the customer followed by written notification of such demand sent by first class mail.
- C. If the toll charges billed under Rule 13-B remain unpaid for ten (10) days from rendition of written notification or a mutually established late payment arrangement date or twenty-one (21) days from rendition of the bill, such charges will be deemed delinquent.
- D. In the event of failure by the customer, or those responsible, to pay any regular bill or to promptly settle special toll bills, the Company may discontinue service upon proper notice to the customer. Service need not be restored unless or until all amounts due at the day of payment are paid in full including the restoration of service charges or satisfactory arrangements made therefor.
- E. The regular restoral of service charge will be made for reconnecting services which have been discontinued for non-payment of charges due. No allowance will be made for loss of service during the period service is disconnected for non-payment if payment is made and service reconnected before the completion of an order to terminate the service. Subsequent to the completion of an order to terminate service, it may at the option of the Telephone Company be re-established only on the basis of a new application.
- F. Bills for exchange and toll service will be rendered on a cyclical basis. The normal billing period is one month. Billing cycles may be altered if the affected customers are sent an insert or other written notice explaining the alteration not less than thirty (30) days prior to the effective date of the alteration. This notification is not required where a customer requests a number change, or when the customer disconnects and reconnects service or transfers service from one premise to another.

- B. The Company reserves the right to change the customer's telephone number or the central office associated with such number, or both, as may be required for the proper conduct of its business.

18. Directories

- A. The Company will furnish to its customers, without charge, its directory as necessary for the efficient use of the service.
- B. Directories regularly furnished to customers shall remain the property of the Company.
- C. No liability for damages arising from errors in or omissions of directory listings, or listings obtained from the "Information Operator" shall be attached to the Company.

19. Customer Service - Use of

- A. Customer telephone service, as distinguished from public and semi-public telephone service, is furnished only for use by the customer, his family, employees or business associates, or persons residing in the customer's household, except as the use of the service may be extended to joint users or to persons temporarily subleasing a customer's residential premises. The Company has the right to refuse to install customer service or to permit such service to remain on premises of a public or semi-public character when the station is so located that the public in general, or patrons of the customer may make use of the service. At such locations, however, customer service may be installed, provided the instrument is so located that it is not accessible for public use.

20. Rural Line Service

A. New cable extensions required for furnishing rural line service will be constructed along public highways by Public Telephone Company under the following conditions:

- 1. An allowance of 1/4 mile route measurement per applicant will be made for such cable extensions without the application of a construction charge.
- 2. For the construction in excess of the allowance stated in Paragraph (1) above, applicants for service are required to pay a construction charge based upon the estimated cable and construction costs involved.

B. Construction charges are payable at the time the application for service is signed or when the account is rendered, at the option of the telephone company. A deposit on construction charges may be required before construction work is started.

21. Party-Line Service - Use of

A. Applications for party-line service are accepted by the Company with the understanding that each customer will so use the service as not to interfere with an equitable proportionate use of the service by the other customers on the same line. When the duration or number of messages sent or received by a party-line customer is so great as to prevent an equitable proportionate use of the line by other customers on the line, the Company shall have the right to require the customer to contract for a higher grade of service, or to discontinue the service of the customer in question.
