Re: Negotiations Pursuant to Sections 251 and 252
of the Telecommunications Act

To Whom It May Concern:

Please be advised that the Missouri Small Incumbent Local Exchange Carriers (ILECs) listed on Attachment A to this letter wish to begin negotiations pursuant to Sections 251 and 252 of the Telecommunications Act of 1996 (Act) and Section 2011 of the Federal Communication Commission's (FCC) rules for purposes of establishing interconnection agreements for the indirect exchange of local traffic. In addition, and effective with receipt hereof, the Missouri Small ILECs listed on Attachment A seek to establish interim compensation pursuant to Section 51.715 of the FCC's rules. This request is being sent by overnight courier for delivery tomorrow. It is the intent and expectation of the Missouri Small ILECs that this request for negotiation and interim compensation will be received and effective on April 29, 2005, the day on which their Missouri intrastate wireless tariffs will no longer be effective for the wireless originated traffic which your company is currently terminating to these Missouri Small ILECs.

Many of these Missouri Small ILECs currently have Traffic Termination Agreements with wireless carriers which have been filed with and approved by the Missouri Public Service Commission. Attached to this correspondence is a copy of an agreement between one Missouri Small ILEC and Verizon Wireless. Accordingly, in an effort to streamline negotiations, the Missouri Small ILECs listed on Attachment A are willing to enter into an agreement similar to that attached.

Please have the appropriate person or persons in your organization contact me at the above address to acknowledge receipt of this request and begin the negotiation process. I thank you in advance for your attention to and cooperation in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "W.R. England, III", with a large, stylized flourish extending from the end of the signature.
