ACCESS SERVICES TARIFF CONCURRENCE

(M)

Access Services

Access services are those services which are described in the Access Services Tariff of Oregon Farmers Mutual Telephone Company. These services are offered by the Company to intrastate interexchange customers (ICs) in accordance with the rules and regulations specified in the Access Services Tariff of Oregon Farmers Mutual Telephone Company and approved by the Missouri Public Service Commission, and in any amendments thereto and authorized by the Missouri Public Service Commission or applicable law. The Company does not concur in the rates for access services of Oregon Farmers Mutual Telephone Company. Rates for these services are set out in the following pages of this concurrence.

RECEIVED

MAY 2 1988

MISSOURI

Public Service Commission

Provision of Services

The Company, to the extent that such services are or can be made available with reasonable effort, and after provisions have been made for the Company's telephone exchange services, will provide to an intrastate IC, upon reasonable notice, services of the type offered in Oregon Farmers Mutual Telephone Company's Access Services Tariff pursuant to the terms and conditions specified therein and at the rates specified in the following pages of this concurrence. The Company's concurrence in Oregon Farmers Mutual Telephone Company's Access Services Tariff shall not be construed or deemed a representation that all services and service components described therein are available from the Company.

Cancellation Rights

The Company reserves the right to cancel and make void the above concurrence statement, subject to requirements as may be ordered by the Missouri Public Service Commission, at any and such time as it appears that such cancellation is in the best interest of the Company and/or its customers.

RECEIVED
JUL 14 1955
MISSOURI
Public Service Comm.

I. APPLICATION OF TARIFF

A. This Tariff applies to message toll telephone service furnished or made available by the Telephone Company over facilities wholly within or partly within and partly without the State of Missouri, between two or more points within the State of Missouri, where the respective rate centers of such points are also located in said State and to such service furnished or made available by the Telephone Company over facilities wholly within or partly within and partly without the State of Iowa, between two or more points within the State of Iowa, where the respective rate centers of such points are also located in said state.

B. Explanation of Symbols

- (C) Signifies a changed regulation.
- (D) Signifies a discontinued rate, treatment or regulation.
- (I) Signifies an increased rate or new treatment resulting in increased rate.
- (N) Signifies a new rate, treatment or regulation.
- (R) Signifies a reduced rate or new treatment resulting in reduced rate.
- (T) Signifies a change in text but no change in rate, treatment or regulation.

II. GENERAL REGULATIONS

A. Definition

Message toll telephone service is that of furnishing facilities for telephone communication between telephones in different local service areas in accordance with the regulations and system of charges specified in this Tariff. The toll service charges specified in this Tariff are in payment for all service furnished between the calling and called telephones.

MESSAGE TOLL TELEPHONE SERVICE

INTRASTATE (Continued)

II. GENERAL REGULATIONS

B. Undertaking of the Telephone Company

The Telephone Company does not undertake to transmit messages, but offers the use of its facilities for communications between its customers.

C. Priority of Service

In case a shortage of facilities exists at any time, either for temporary or protracted periods, the establishment of message toll telephone service shall take precedence over all others.

D. Limited Conversation

The Company reserves the right to limit the length of conversation when necessary in times of emergency resulting from a shortage of facilities.

E. Liability of Telephone Company

1. In view of the fact that the customer has expended a substantial amount of his communications over the facilities furnished by the Telephone Company, and of the other uses for which facilities may be furnished him by the Telephone Company, and because of unavoidableness of errors incident to the services and to the use of such facilities of the Telephone Company, the services and facilities furnished by the Company are subject to the terms, conditions, and limitations herein specified.

2. The liability of the Telephone Company for damages arising out of mistakes, omissions, interruptions, delays, or errors or defects in transmission occurring in the course of furnishing service or other facilities and

MESSAGE TOLL TELEPHONE SERVICE

INTRASTATE (Continued)

II. GENERAL REGULATIONS (Continued)

E. Liability of Telephone Company (Continued)

2. (Continued)

not caused by the negligence of the customer, shall in no event exceed an amount equivalent to the proportionate charge to the customer for the period of service during which such mistake, omission, interruption, delay, error or defect in transmission occurs. No other liability shall in any case attach to the Telephone Company.

3. When the lines of other telephone companies are used in establishing connections to points not reached by the Telephone Company's lines, the Telephone Company is not liable for any act or omission of the other company or companies.

F. Obligation of Customer

1. The calling party (or customer) shall establish his identity in the course of any communication as often as may be necessary.

2. The calling party (or customer) shall be solely responsible for establishing the identity of the person or persons with whom connection is made at the called station.

G. Telephotograph Equipment Provided by the Press

1. Message toll telephone service is available for use by the Press for the transmission and reception of pictures, and similar material for publication, by means of telephotograph equipment provided by the Press.

INTRASTATE

II. GENERAL REGULATIONS (Continued)

G. Telephotograph Equipment Provided by the Press (Continued)

2. No direct physical connection of the telephotograph equipment shall be made to the facilities of the Telephone Company or its Connecting Companies, except where special equipment is provided by the Telephone Company or a Connecting Company for this purpose.
3. The telephotograph equipment shall be of a type approved by the Telephone Company, and its operating characteristics shall be such as not to interfere with any of the services offered by the Telephone Company.
4. The Telephone Company assumes no responsibility for the quality of or defects in the material transmitted over the message toll connection regardless of cause.
5. The customer indemnifies and saves the Telephone Company harmless against claims for libel, slander or the infringement of copyright arising from the material transmitted over the facilities; against claims for the infringement of patents arising from combining with, or using in connection with, facilities of the Telephone Company, apparatus and systems of the customer; and against other claims arising out of any act or omission of the customer in connection with the facilities provided by the Telephone Company.
6. The regulations and rates for each call made for the purpose of transmitting pictures are those applicable for message toll telephone service, i.e., station-to-station, person-to-person or conference, according to the connection established.

II. GENERAL REGULATIONS (Continued)

H. Application of Construction Charges

When special construction for individual customers is necessary, special construction charges may apply as set forth in the Construction and Installation Charges Part of the General Exchange Tariff.

FILED

I. Special Reversed Charge Toll Service

JUN 12 1958

N

A. General

PUBLIC SERVICE COMMISSION

1. This service provides an arrangement in connection with message toll service whereby a customer offers patrons the privilege of calling him without the payment of a toll charge and without having to request specific reversal of this charge.
2. This service is available only to customers having private branch exchange service or individual line service, excepting coin box.
3. The exchanges or zones from which patrons may call without charge are selected by the customer, subject to the approval of the Telephone Company, and for each selected exchange or zone, the Telephone Company assigns and lists in the directory a special call number.
4. Calls for the special number are accepted only when originating at telephones located in the exchange or zone with which the special call number is associated and only those toll calls placed by calling this special number are considered as coming within the scope of the service.

II. GENERAL REGULATIONS (Continued)

I. Special Reversed Charge Toll Service (Continued)

- 5. The customer agrees to pay the charges for all calls completed from the selected exchanges or zones by means of the special number.
- 6. The initial contract period for this service is three months. Service may be terminated within the initial contract period by payment of the minimum service charge to the end of the initial contract period.

B. Rates

- 1. The customer contracting for this service is charged the established sent-paid station-to-station day, night or Sunday message toll rate for each completed call. In addition, a service charge of \$5.00 per month applies for each selected exchange or zone in the case of zoned exchanges. One directory listing for each exchange or zone selected is provided without additional charge.

III. METHOD OF APPLYING RATES

- A. Message toll telephone rates between points (cities, towns, or localities) are based on the air-line distance between rate centers. In general, each point is designated as a rate center; certain small towns or localities are assigned adjacent rate centers with which they are closely associated for communication purposes or by community of interest.

IV. TWO POINT SERVICE

A. Classes of Service

- Two classes of message toll telephone service are offered, namely, station-to-station service and person-to-person service. For each class of service day, night and Sunday rates apply as follows:

a. Day Rates

Day Rates apply between 4:30 A.M. and 6:00 P.M. on all days except as provided under "Night and Sunday Rates" below.

b. Night and Sunday Rates (Reduced Rates)

Night Rates apply daily between 6:00 P.M. and 4:30 A.M. Sunday Rates apply between 4:30 A.M. and 6:00 P.M. on Sundays, Christmas Day, (December 25), and New Years Day, (January 1). In case the Christmas and New Years legal holidays fall on dates other than December 25 and January 1, Sunday rates apply on such legal holidays.

- c. Sunday Rates also apply on Thanksgiving Day, as proclaimed by the Governor, between 4:30 A.M. and 6:00 P.M.

B. Station-to-Station Service

Station-to-Station service is that service under which the person originating the call gives only the telephone number of the station or branch exchange system desired or the name and address under which the telephone is listed and does not specify a particular person or branch exchange station to be reached at the called point.

MESSAGE TOLL TELEPHONE SERVICE

INTRASTATE (Continued)

IV. TWO POINT SERVICE (Continued)

C. Person-to-Person Service

Person-to-Person service is that service under which the person originating the call specifies a particular person to be reached at the called point or a particular station, department, office or branch reached through a branch exchange:

1. Where the person originating the call wished arrangements made in advance with a particular party or station for the establishment of a connection at a specified time (appointment call), the call is classified as person-to-person.
2. When it is necessary for the Telephone Company to employ a messenger or other means to bring the called party to a telephone associated with the Telephone Company or its connecting carriers, the call is classified as person-to-person and, in addition to the charges for the message, a charge is made for the exact amount expended, if any, for messenger service.
3. When the called station does not accept the charges and the calling party requests that the call be again later on a collect basis the classifications of the call is changed to person-to-person and the rates and regulations applicable to person-to-person service apply.

D. Collection of Charges

Charges (including messenger charges) for all classes of telephone calls are billed against or collected from the calling telephone in all cases, except that upon request toll

charges may be:

- A. Billed against or collected from the called telephone (i. e., charges may be reversed) if the charges are accepted at the called station.
- B. Transferred from the calling telephone (called station on a collect call) to another telephone (non-coin station) served by the same toll center, or other nearby toll centers where locally authorized, if the charges are accepted at that telephone.
- C. Billed against a third number through a "Credit Card" arrangement.

E. Time of Day

The time of day when conversation actually starts, determined in accordance with the time system--standard or daylight saving--legally or commonly in use at the point where the calling station is located, determines whether day, night or Sunday rates apply. This rule applies irrespective of whether the call is sent paid or collect.

- a. In cases where a message begins in one rate period and ends in another, the rate in effect at the time conversation starts applies to the entire conversation.

F. Initial and Overtime Periods

- 1. Message toll rates are quoted in terms of initial and overtime periods.

F. Initial and Overtime Periods (Continued)

1. (Continued)

- a. The initial period is the interval of time allowed at the rate quoted for a toll connection between given points.
- b. The overtime period is the unit of time used for measuring and charging for time in excess of the initial period.

2. Timing of Messages

- a. Length of conversation is the elapsed time between the start and the end of the telephone communication.
- b. On calls placed on a station-to-station basis, conversation is considered as starting at the time telephonic communication is established between the calling station and the called station or private branch exchange switchboard.
- c. On calls placed on a person-to-person basis, conversation is considered as starting at the time telephonic communication is established between the person calling and the particular person called or another party acceptable to the person calling, or the private branch exchange extension station called.
- d. On all calls, conversation is considered as terminated at the time the disconnect signal is received by the operator handling the call.

Access Services

Access services are those services which are described in the Access Services Tariff of Oregon Farmers Mutual Telephone Company. These services are offered by the Company to intrastate interexchange customers (ICs) in accordance with the rules and regulations specified in the Access Services Tariff of Oregon Farmers Mutual Telephone Company and approved by the Missouri Public Service Commission, and in any amendments thereto and authorized by the Missouri Public Service Commission or applicable law. The Company does not concur in the rates for access services of Oregon Farmers Mutual Telephone Company. Rates for these services are set out in the following pages of this concurrence.

Provision of Services

The Company, to the extent that such services are or can be made available with reasonable effort, and after provisions have been made for the Company's telephone exchange services, will provide to an intrastate IC, upon reasonable notice, the type of service of the type offered in Oregon Farmers Mutual Telephone Company's Access Services Tariff pursuant to the terms and conditions specified therein and at the rates specified in the following pages of this concurrence. The Company's concurrence in Oregon Farmers Mutual Telephone Company's Access Services Tariff shall not be construed or deemed a representation that all services and service components described therein are available from the Company.
