On January 30, 2015, Laclede Gas Company (“Laclede”) filed a verified application and petition with the Missouri Public Service Commission requesting that the Commission authorize it to change its Infrastructure System Replacement Surcharge (“ISRS”) rate schedule to reflect infrastructure system replacements.

With its application, Laclede filed a tariff that would implement the surcharge effective March 2, 2015. The Commission will suspend that tariff until May 30, 2015, to allow sufficient time to review Laclede’s ISRS application.
