LOCAL EXCHANGE SERVICE TARIFFS

C. RATES

1. General:

Unless otherwise specified, the charges quoted in this tariff are for a period of one month, and are for the central office access lines, which extends from the central office equipment of the Company to the protector located on the premises of the customer; and entitles them access to the local exchange network, and any other non-toll exchanges as shown in Paragraph 2 hereof.

2. Calling Scope:

The exchange service rates indicated under "Rates" are in designated rate groups. The number of access lines callable on a non-toll basis is the calling scope of subscribers of any exchange. The calling scope determines the rate group for the exchange. Exchanges and other exchanges constituting their non-toll calling area are:

MISSOURI SCHOOL DISCOUNT PROGRAM

1. A discount from standard monthly rates for local exchange access line service may be allowed in connection with service furnished through the Missouri School Discount Program, pursuant to the Video Instructional Development and Educational Program, so enacted by the Missouri State Legislature.
2. Upon a customer's request, a discount of twenty (20 percent) from monthly access line rates, and a concession of one (1) local exchange access line per school within a school district at no charge, may be allowed to educational institutions as determined in Paragraph 3 following, within the company's certified area, and considered as customers of the Telephone Company.
3. An educational institution shall be defined as an accredited public school in the state of Missouri. Public schools must be accredited by the Department of Elementary and Secondary Education for the State of Missouri and/or the North Central Association of Colleges and Schools.
4. The qualifying discount will be permitted only on two-way local exchange access lines. DID trunks, public and semi-public, and all other features, ancillary services or options, relative to the particular service shall continue to be billed at the appropriate tariff rates.
5. The qualifying discount will be permitted only where the predominate use is providing educational and instructional programs and for the educational institutions' administrative use. The discount is not allowed to residential complexes associated with the institution, nor to Alternative Local Exchange Companies for resale.
6. In addition to meeting the qualifications specified in paragraph 3 proceeding, an eligible customer must sign an affidavit certifying that the qualifications is met. The affidavit will be retained on file with the company.
7. The customer should request to receive the discount on all subsequent additions of eligible services which are ordered.
8. The following local exchange services are eligible for a discount under this program:
