Dear Secretary Woodruff:

On behalf of Spire Missouri Inc. (the “Company”), enclosed herewith for filing with the Missouri Public Service Commission are the COVID-19 Residential Assistance Program tariff sheets, P.S.C. MO. No. 7, Sheet No. R-31.4 of the eastern Missouri operating division of Spire Missouri Inc. d/b/a Spire (“Spire East”) and P.S.C. MO. No. 8, Sheet No. R-31.4 of the western Missouri operating division of Spire Missouri Inc. d/b/a Spire (“Spire West”). These tariff sheets, have an issue date of October 21, 2020 and an effective date of November 20, 2020.

These tariffs support the COVID-19 Residential Assistance Program which will be available to eligible residential customers in the service territories of Spire Missouri East and Spire Missouri West to assist eligible residential customers in paying their natural gas bills during the COVID-19 pandemic. Program funding will include up to \$1 million dollars from Spire, and up to \$1 million dollars redirected from expired fiscal year 2020 program funds, including the Multi-Family Low-Income (MFLI) energy efficiency programs (\$600K) and from the Community Savers Single-Family Low-Income program (\$400k).

As a separate filing is a Motion for Expedited Treatment requesting that these tariffs become effective on November 7, 2020, instead of November 20, 2020, so that our customers can benefit from this program as soon as possible.

Thank you for bringing this matter to the attention of the appropriate Commission personnel.

Sincerely,

/s/ Scott A. Weitzel
