RE: Request Commission Approval of Tariff Sheets No. 34 through 34S Net Metering  
Interconnection Application Agreement.

Dear Secretary:

Kansas City Power & Light Company ("KCP&L" or "Company") seeks approval from the Missouri Public Service Commission of the enclosed Net Metering Interconnection Application Agreement Tariffs. The revised tariffs incorporate recent changes instituted by House Bill No. 142. The Application Standards (sheets 34F and 34G) were updated and more clarification was added for the appeal or resubmittal process. There are cosmetic changes to the word "company" which was changed to KCP&L to be consistent with House Bill No. 142.

Thank you for your consideration of these tariffs. Please contact me directly at (816) 556-2705 or [Lisa.Casteel@kcpl.com](mailto:Lisa.Casteel@kcpl.com) if you require any additional information.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Casteel".
