### EASYOPTIONS<sup>®</sup> PACKAGES

#### 44.18 uSelect<sup>SM3</sup> (cont'd)

##### 44.18.1 Description (cont'd)

- H. The component services of uSelect<sup>SM3</sup> are provided on a per line basis. All services must be ordered on the same line in order for the customer to be eligible for the uSelect<sup>SM3</sup> price.
- I. uSelect<sup>SM3</sup> subscribers will benefit from the uSelect<sup>SM3</sup> price until they disconnect one or more of the uSelect<sup>SM3</sup> component services.
- J. uSelect<sup>SM3</sup> subscribers will continue to benefit from the uSelect<sup>SM3</sup> price if, on the same order, they disconnect one or both selectable component services and replace those disconnected services with other services from the Selection List.
- K. If the customer subscribes to more than two EasyOptions<sup>®</sup> Services on the uSelect<sup>SM3</sup> Selection List, the two most expensive services will be included in uSelect<sup>SM3</sup>.
- L. Services purchased in excess of those ordered as components of uSelect<sup>SM3</sup> will be charged at their standard tariff rates and may include any applicable discounts. Customers who purchase Caller ID and more than four EasyOptions<sup>®</sup> Services from the Selection List are eligible to purchase uSelect<sup>SM6</sup> according to the terms of the uSelect<sup>SM6</sup> tariff.
- M. Discounted monthly rates for any other combinations of the services provided in uSelect<sup>SM3</sup> on the same access line, as specified elsewhere in this tariff, do not apply to the component services selected by the customer within uSelect<sup>SM3</sup>.
- N. In order to receive the 2-Line uSelect<sup>SM3</sup> price, a customer must have two or more lines and have the uSelect<sup>SM3</sup> package ordered on the main line. Only one 2-Line uSelect<sup>SM3</sup> package can be ordered on a customer's account. Customers who disconnect their additional access lines will be charged the uSelect<sup>SM3</sup> price.
- O. A Nonrecurring charge will apply to the installation of a uSelect<sup>SM</sup> package the first time a new or existing customer subscribes to the package. Payment of the uSelect<sup>SM</sup> Installation charge ensures that no subsequent nonrecurring charges will apply if the customer changes or adds features within the Selection List as long as the customer maintains the uSelect<sup>SM</sup> package on that line. If a customer disconnects their uSelect<sup>SM</sup> package from a line, the uSelect<sup>SM</sup> Installation charge would apply again to re-establish a uSelect<sup>SM</sup> package on that line. The uSelect<sup>SM</sup> Installation charge will not apply again if the customer upgrades from uSelect<sup>SM3</sup> to uSelect<sup>SM6</sup> or downgrades from uSelect<sup>SM6</sup> to uSelect<sup>SM3</sup>. The uSelect<sup>SM</sup> Installation charge is a line-level charge and if the customer subscribes to uSelect<sup>SM3</sup> on any additional access line, the nonrecurring charge will be charged on each such line.

### EASYOPTIONS® PACKAGES

#### 44.19 uSelect<sup>SM</sup>6 (cont'd)

##### 44.19.1 Description (cont'd)

- H. The component services of uSelect<sup>SM</sup>6 are provided on a per line basis. All services must be ordered on the same line in order for the customer to be eligible for the uSelect<sup>SM</sup>6 price.
- I. uSelect<sup>SM</sup>6 subscribers will benefit from the uSelect<sup>SM</sup>6 price until they disconnect one or more of the uSelect<sup>SM</sup>6 component services.
- J. uSelect<sup>SM</sup>6 subscribers will continue to benefit from the uSelect<sup>SM</sup>6 price if, on the same order, they disconnect one or both selectable component services and replace those disconnected services with other services from the Selection List.
- K. If the customer subscribes to more than five EasyOptions® Services on the uSelect<sup>SM</sup>6 Selection List, the five most expensive services will be included in uSelect<sup>SM</sup>6.
- L. Services purchased in excess of those ordered as components of uSelect<sup>SM</sup>6 will be charged at their standard tariff rates and may include any applicable discounts. Customers who purchase Caller ID and more than four EasyOptions® Services from the Selection List are eligible to purchase uSelect<sup>SM</sup>6 according to the terms of the uSelect<sup>SM</sup>6 tariff.
- M. Discounted monthly rates for any other combinations of the services provided in uSelect<sup>SM</sup>6 on the same access line, as specified elsewhere in this tariff, do not apply to the component services selected by the customer within uSelect<sup>SM</sup>6.
- N. In order to receive the 2-Line uSelect<sup>SM</sup>6 price, a customer must have two or more lines and have the uSelect<sup>SM</sup>6 package ordered on the main line. Only one 2-Line uSelect<sup>SM</sup>6 package can be ordered on a customer's account. Customers who disconnect their additional access lines will be charged the uSelect<sup>SM</sup>6 price.
- O. A Nonrecurring charge will apply to the installation of a uSelect<sup>SM</sup> package the first time a new or existing customer subscribes to the package. Payment of the uSelect<sup>SM</sup> Installation charge ensures that no subsequent nonrecurring charges will apply if the customer changes or adds features within the Selection List as long as the customer maintains the uSelect<sup>SM</sup> package on that line. If a customer disconnects their uSelect<sup>SM</sup> package from a line, the uSelect<sup>SM</sup> Installation charge would apply again to re-establish a uSelect<sup>SM</sup> package on that line. The uSelect<sup>SM</sup> Installation charge will not apply again if the customer downgrades from uSelect<sup>SM</sup>6 to uSelect<sup>SM</sup>3 or upgrades from uSelect<sup>SM</sup>3 to uSelect<sup>SM</sup>6. The uSelect<sup>SM</sup> Installation charge is a line-level charge and if the customer subscribes to uSelect<sup>SM</sup>6 on any additional access line, the nonrecurring charge will be charged on each such line.

- M. Complete Choice Enhanced may be ordered one or more access lines.
- N. Complete Choice Enhanced is only available with flat rate 1-Party exchange access line service.
- O. A nonrecurring charge will apply to the installation of Complete Choice Enhanced the first time a new or existing customer subscribes to the package, except that the nonrecurring Complete Choice Enhanced installation charge will not apply to existing customers who convert to Complete Choice Enhanced from uSelect<sup>SM</sup>3, 2-line uSelect<sup>SM</sup>3, uSelect<sup>SM</sup>6, 2-line uSelect<sup>SM</sup>6 or uSelect<sup>SM</sup> Standard or Select Feature Package or Complete Choice® Basic. Payment of the Complete Choice Enhanced Installation charge ensures that no subsequent nonrecurring charges will apply if the customer de-selects or re-selects one or more features for as long as the customer maintains Complete Choice Enhanced on that line. The Complete Choice Enhanced Installation charge is a line-level charge. If the customer subscribes to Complete Choice Enhanced on any additional access line, the nonrecurring feature and package Installation charges will be assessed to each such line.
- P. Standard non-recurring charges associated with ordering and/or installing the access line may apply.
