Case No. XN-2009-0109

DECISION

Issue Date: October 16, 2008

Effective Date: October 16, 2008

The Commission denies the request for name change, and rejects the associated tariffs, filed by PNG Telecommunications, Inc. ("PNG").

PNG filed its request for name change with attachments including an amended tariff title sheet with adoption notice ("the request"). The request's content was the subject of two Commission orders¹ noting that the request fails to comply with Commission regulations in that the request:

- seeks a change to more than one new name²,
- includes a revised tariff title sheet with an effective date less than 30 days after the request's filing date³, and
- omits a copy of PNG's notice to customers affected by the name change⁴.

¹ EFIS Document 2, *Order Directing Filing* dated September 29, 2008; and EFIS Document 3, *Order Directing Filing* dated October 2, 2008.

² 4 CSR 240-2.050(5).

³ 4 CSR 240-2.050(5) (C).

Such orders directed PNG to comply with such regulations no later than October 10, 2008.

The Commission's regulations provide:

A party may be dismissed from a case for failure to comply with any order issued by the commission⁵.

As of the date of this decision, PNG has not complied with the orders and regulations of the Commission.

THE COMMISSION ORDERS THAT:

1. The Commission denies the request for name change filed by PNG Telecommunications, Inc.
2. The Commission rejects the amended tariff title sheet attached to the request for name change.
3. This decision shall become effective immediately upon issuance.
