Mr. Morris Woodruff
Secretary of the Commission
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Mr. Woodruff:

The accompanying tariff sheets issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company), are being transmitted for filing as a revision of Schedule No. 6, Schedule of Rates for Electricity:

<u>Filed</u>	<u>Canceling</u>
1st Revised Sheet No. 170	Original Sheet No. 170
1st Revised Sheet No. 171	Original Sheet No. 171

These tariff sheets are being issued January 14, 2015 to become effective on and after February 13, 2015.

The revisions being requested will revise the Company's rates paid for energy purchased from customers with a Qualifying Facility (4 CSR240-3.155, 4 CSR240-20.060) or Net Metering (4 CSR240-20.065) installation.

The increase in the rates to be paid for energy purchased from customers is primarily a result of those purchases reducing Ameren Missouri's energy purchases through MISO rather than actually reducing Ameren Missouri's generation levels. The MISO rates are higher than the Company's generation cost historically reflected in the energy purchase rates.

This filing is required by January 15th, per the rules noted above.

Sincerely,

Wendy K. Tatro
