MASTERS97 is available to students, faculty, and administrators of educational institutions, provided that said institutions and entities have agreed to act as MCI agent in connection with the provision of service. Dial-out calling, which requires no special access dialing sequences, originates from telecommunications equipment enrolled in MASTERS97 which is located within the campus of a participating educational institution or entity location or is routed through the participating educational institution's or entity location's switching equipment. MASTERS97 calls will be billed in 60-second increments and are rounded to the next higher full minute. If the computed charge includes a fraction of a cent, the fraction is rounded to the next whole cent.

The Company does not invoice charges in fractions of a cent; the minimum charge for any charge element is \$.01. N

.3023 Home 800 Plan: Home 800 Plan provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and on time installation fee identified in MCI WORLDCOM's F.C.C. tariff No. 1. The customer will be charged the per minute usage rate of \$0.30. MCI WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow Me" Routing Feature. The Friends and Family and standard holiday discounts do not apply to these calls. A Home 800 Plan customer share access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten Home 800 Plan numbers per customer telephone number.

This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature."

"A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls."

"Follow-Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow-Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make."

.3123 MCI Personal 800 Number

MCI Personal 800 Number: MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in MCI WORLDCOM's F.C.C. Tariff No. 1. The customer will be charged a per minute usage rate of \$.30. MCI WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

Follow-Me Routing: This feature allows a MCI Personal 800 Number customer to change the telephone number to which calls to his or her MCI Personal 800 Number will be terminated. To make a Follow Me change, a customer may use his or her MCI Personal 800 Number and the 6 digit Rerouting Code. There is no limit on the number of changes a customer may make.

3. METERED USE SERVICE (Cont.)

.32 Option EE (MCI WorldCom On-Net Services)¹

Option EE is an outbound, customized telecommunications service that may include an inbound service option using Business Line/WATS or Dedicated Access Line terminations and/or a virtual private network. Option EE provides a service for single or multi-location companies using switched, dedicated and card origination, and switched and dedicated termination.

Except as otherwise specified, all domestic Option EE calls are subject to an 18-second minimum initial period and rounding to the next higher 6-second increment, except for Operator Assisted calls, which are subject to a 60-second initial period and rounding to the next 60-second increment.

If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

The Company does not invoice charges in fraction of a cent; the minimum charge for any charge element is \$.01.

N
N

The rules and regulations governing the provision of service for toll free (inbound) service are identical to those for Metered Use Service Option H (MCI 800 Service) except where otherwise specified. This tariff is being offered to Missouri customers that have a requirement to make intrastate calls. Intrastate service is provided in conjunction with interstate Option RR service and is available only to customers subscribing to interstate Option RR as provided in MCI Interstate Tariff F.C.C. No. 1.

¹Effective January 5, 2004 Option EE (MCI WorldCom-On-Net Services) will no longer be available to new customers.
