Mr. Morris Woodruff  
Secretary/Chief Regulatory Law Judge  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
Jefferson City, MO 65102

**Re: Tariff Schedule to Adjust FAC Rate of  
KCP&L Greater Missouri Operations Company**

Dear Mr. Woodruff:

Pursuant to 4 C.S.R. 240-20.090(4) of the regulations of the Missouri Public Service Commission (“Commission”), KCP&L Greater Missouri Operations Company (“KCP&L-GMO” or the “Company”) hereby submits proposed rate schedules to adjust charges related to the Company’s approved Fuel Adjustment Clause (“FAC”). The proposed rate schedules bear an issue date of December 30, 2016, and an effective date of March 1, 2017.

Please provide a copy of all correspondence, notices, orders, and other communications that relate to this filing to the following as well as undersigned counsel:

Lisa A. Starkebaum  
Supervisor - Regulatory Affairs  
Kansas City Power & Light Company  
1200 Main Street – 19<sup>th</sup> Floor  
Kansas City, Missouri 64105  
Phone: (816) 556-2209  
Fax: (816) 556-2110  
Email: lisa.starkebaum@kcpl.com

FAC net includable costs for the six-month period ending November 30, 2016, have increased by approximately \$2.5 million for GMO above the base costs included in rates. These costs are offset by \$0.335 million, as calculated in the true-up filing for the six-month accumulation period ending May 31, 2015, that is being made in conjunction with this tariff filing.

In accordance with the FAC for KCP&L-GMO approved by the Commission, the proposed rate schedules are designed to recover 95 percent of those net cost increases. The requested increase will result in an increase to a typical residential customer's bill of approximately \$0.35 per month for the GMO rate jurisdiction.

Direct Testimony and supporting schedules of Lisa Starkebaum are submitted concurrently herewith along with schedules containing the information required by 4 C.S.R. 240-3.161(7), including all workpapers that support the proposed rate schedules.

Copies of the proposed FAC-related rate schedules and all supporting materials described in this letter will be served electronically, this date, on the Commission's General Counsel, the Office of Public Counsel, and each party to Case No. ER-2012-0175.

Respectfully submitted,

*/s/ Roger W. Steiner*
