^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 6 – OPTIONAL SERVICE FEATURES6.10 Caller ID Blocking ^{1/}6.10.1 Description

Caller ID Blocking allows a caller to determine when they want to prevent the delivery of both the calling name (if applicable) and number to the called party for the duration of one call by entering a feature code prior to making the call. When the feature code is entered prior to making the call the name (if available) and number is blocked. If no feature is entered prior to initiating a call the name (if available) and number will be delivered to the calling party.

The following regulations apply:

- A. Any MCImetro ACCESS TRANSMISSION SERVICES, LLC calling party may prevent the delivery of their calling name and/or number to the called party by dialing an access code (*67 on their Touchtone pad or 1167 from a rotary telephone) immediately prior to placing a call. The access code will activate per call blocking, which is available at no charge.
- B. If the calling party activates blocking, the name and/or number will not be transmitted across the line to the called party. Instead, Caller ID customers will receive an anonymous indicator. This anonymous indicator notifies the Caller ID customer that the calling party has elected to block the delivery of their name and telephone number.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 6 – OPTIONAL SERVICE FEATURES

6.10 Caller ID Blocking (Continued)

6.10.1 Description (Continued)

- C. Line blocking for the delivery of the calling name and/or number is available upon request, at no charge, to the following entities and their employees/volunteers, for lines over which the official business of the agency is conducted including those at the residences of employees/ volunteers where an executive officer of the agency registers with MCImetro a need for blocking: (a) private, nonprofit, tax-exempt, domestic violence intervention agencies and (b) federal, state and local law enforcement agencies.
- D. Line blocking customers can unblock their calling name and/or number information on a per call basis, at no charge, by dialing an access code (*82 on their Touch-Tone pad or 1182 from a rotary phone) immediately prior to placing a call. The calling name and/or number will not be transmitted from a line equipped with this capability.
- E. The blocking of the calling name and/or number will not be provided on calls originating from Public, Semi-Public and Customer-Owned Pay Telephone Services.

SECTION 6 – OPTIONAL SERVICE FEATURES

6.11 Caller ID (Continued)

6.11.1 Regulations Applicable to Caller ID ^{1/}

- A. Caller ID Service will be provided in connection with individual and multi-line residence and business lines, where facilities permit. Party Line, PBX trunk, Intelitrex, Public and Semi-Public Telephone Services are excluded from subscribing to this tariff offering.
- B. Caller ID Service is offered on a subscription basis that requires the customer to order the service. Where Caller ID Service is available, any calling party, whether they subscribe to Caller ID Service or not, has per call blocking capability.
- C. Caller ID Service will not be displayed under the following conditions:
 - (1) If the called party is off-hook (i.e., when Customer is on line).
 - (2) If the called party answers during the first ring interval.
 - (3) If the calling party has activated blocking capability.
- D. Caller ID Service is not available with distinctive ringing services having a silent interval length insufficient for calling name and/or number transmission.
- E. Identification of specific stations or extensions served by CPE is not possible. The main directory number will be displayed.
- F. Caller ID Service will be transmitted and displayed for calls made from another central office only if it is linked by appropriate facilities.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 6 – OPTIONAL SERVICE FEATURES

6.11 Caller ID (Continued)

6.11.1 Regulations Applicable to Caller ID (Continued)

- G. Caller ID Service information may not be sold or given to another party without the caller's consent. Calling name and number information may only be used for: (a) routing or completion of calls, (b) billing of calls, (c) account management purposes, (d) services directly related to the call or transaction, (e) verification of calling party identity and (f) marketing products or services that are directly related to those previously acquired by the customer from the name and number delivery services subscriber. This applies if the name and number delivery service subscriber has an existing relationship with the customer. Caller ID customers failing to comply with any of these conditions will have their service terminated.

- H. In addition to the other provisions specified in this section, the Company shall not be liable for any claims for damages caused or claimed to have been caused, directly or indirectly, by the transmission to a Caller ID customer of a name or telephone number which the calling party or the Caller ID customer finds erroneous, offensive, embarrassing, or misleading for any reason, including but not limited to the way in which the calling party's name has been abbreviated.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 6 – OPTIONAL SERVICE FEATURES6.13 Direct Inward Dial (DID) Service ^{1/}6.13.1 Description

DID service is an optional feature which can be purchased in conjunction with Company-provided DID Trunks or Digital Trunks. DID service transmits the dialed digits for all incoming calls allowing the Customer's PBX to route incoming calls directly to individual stations corresponding to each individual DID number. Charges for DID number blocks apply in addition to charges specified for DID Trunks or Digital Trunks in Sections 5.5 and 5.6, respectively.

Customer is required to purchase at least one DID number block for each DID-equipped trunk or trunk group, or DID-equipped channel or channel group. The Company reserves the right to limit the amount of DID numbers that will constitute a block of telephone numbers. The amount of DID numbers included in a telephone number group will be determined at the sole discretion of the Company, and will reflect the efficient management of the Company's resources.

The Customer has no property right to the telephone number or any other call number destination associated with DID service furnished by the Company, and no right to the continuance of service through any particular end office. The Company reserves the right to change such numbers, or end office designation associated with such numbers, or both, assigned to the Customer, whenever the Company deems it necessary to do so in the conduct of its business.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 6 – OPTIONAL SERVICE FEATURES6.16 Foreign Exchange (FX) Service 1/6.16.1 Description

FX Service enables a Customer to receive Company-provided Exchange Access Service at a point outside the Local Exchange Service Area that normally serves the customer's location. FX service can be used to receive inward calls only. FX service has a minimum requirement of at least 48 lines.

The Local Exchange Calling Area and all Usage Service rates which apply to a FX Exchange Access Service are the same as those which regularly apply to other Company-provided Exchange Access Services bearing the same NPA-NXX designation.

Customers are prohibited from using FX service to place outbound calls including, but not limited to "911" emergency numbers. This restriction is required in order to assure that *emergency calls are routed to the Public Safety Answering Point serving the geographical area associated with the Customer's telephone number.* The Company strongly recommends that each Customer maintain at least one telephone exchange service access line bearing an NPA-NXX designation associated with the Customer's actual geographic location for emergency use.

6.16.2 Rates

FX service charges are calculated on either a line or trunk group basis dependent upon the type of Exchange Access Service facility being utilized.

Charges for each FX Exchange Access Service apply in addition to the service rates which would regularly apply for such Exchange Access Service. Additional costs may be incurred by the FX Customer when the Company rearranges existing facilities as set forth in Section 10.1. The following charges apply for each FX service:

1/ Beginning June 11, 1999, this service will no longer be available to new subscribers.

SECTION 9 – MISCELLANEOUS SERVICES

The services listed in this section apply to the Company's facilities-based and resale services.

9.1 Operator Services ^{1/}

9.1.1 Description

Operator Handled Calling Services are available to Customers and Users of the Company's facilities based and resale services.

9.1.2 Definitions

Person-to-Person: Calls completed with the assistance of a Company operator to a particular person, station, department, or PBX extension specified by the calling party. Charges may be billed to the Customer's commercial credit card and/or LEC calling card, calling station, called station, or a designated third-party station. Calls may be dialed with or without the assistance of a Company operator.

Station-to-Station: Refers to calls other than person-to-person calls billed to either the end user's commercial credit card and/or non-proprietary calling card. Calls may be dialed with or without the assistance of a Company operator. Collect calls to coin telephones and transfers of charges to third-party telephones that are coin telephones will not be accepted.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 9 – MISCELLANEOUS SERVICES

9.1 Operator Services (Continued)

9.1.2 Definitions (Continued)

Operator Dialed Charge: The end user places the call without dialing the destination number, although the capability to do it himself exists. The end user will dial "0" for local calls and "00" for long distance calls and then requests the operator to dial the called station.

Billed to Non-Proprietary Calling Card: Refers to calls that are dialed by the customer in accordance with standard dialing instructions and billed to a non-proprietary calling card issued by another carrier.

9.1.3 Rates

Local exchange and IntraLATA calls may be placed on an Operator Assisted basis. Usage charges for Operator Assisted calls are the same as those set out in Section 7.2.2 and 8.6.3, proceeding. For Operator Assisted calls to Busy Line Verification and Interrupt, or Directory Assistance, the surcharges specified in Section 9.2.3 and Section 9.3.2 will apply in addition to any applicable Operator charges.

In addition to the usage charges identified above, the following operator-assisted charges will apply:

	<u>Per Call Charges</u>
Person-to-Person (Customer Dialed)	\$ 2.40
Station-to-Station (Customer Dialed)	\$ 1.10
Billed to Non-Proprietary Calling Card (Additional surcharge)	\$ 0.65

SECTION 9 – MISCELLANEOUS SERVICES

9.2 Busy Line Verify and Line Interrupt Service ^{1/}

9.2.1 Description

Upon request of a calling party the Company will verify a busy condition on a called line.

- A. The operator will determine if the line is clear or in use and report to the calling party.
- B. The operator will interrupt the call on the called line only if the calling party indicates an emergency and requests interruption.

9.2.2 Regulations

A A charge will apply when:

- (1) The operator verifies that the line is busy with a call in progress.
- (2) The operator verifies that the line is available for incoming calls.
- (3) The operator verifies that the called number is busy with a call in progress and the customer requests interruption. The operator will then interrupt the call, advising the called party the name of the calling party. One charge will apply for both verification and interruption.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 9 – MISCELLANEOUS SERVICES

9.2 Busy Line Verify and Line Interrupt Service (Continued)

9.2.2 Regulations (Continued)

B. No charge will apply:

- (1) When the calling party advises that the call is to or from an official public emergency agency.
- (2) Under conditions other than those specified in 9.2.2(A) proceeding.
- (3) Busy Verification and Interrupt Service is furnished where and to the extent that facilities permit.

The Customer shall identify and save the Company harmless against all claims that may arise from either party to the interrupted call or any person.

9.2.3 Rates

Per Request

Busy Line Verify Service	\$ 1.20
Busy Line Verify and Busy Line Interrupt Service	\$ 1.85

SECTION 9 – MISCELLANEOUS SERVICES9.3 Directory Assistance ⁽¹⁾9.3.1 Description

Customers and Users of the Company's calling services (excluding Toll Free services), may obtain directory assistance in determining telephone numbers within Missouri by calling the Directory Assistance operator. One request may be made on each directory assistance call. The directory assistance charge applies to each call regardless of whether or not the directory assistance operator is able to furnish the requested telephone number.

9.3.2 Rates

- A. Directory Assistance charges will apply for all requests for which the Company's facilities are used. Each number requested is charged for as shown below. Requests for information other than telephone numbers will be charged the same rate as shown for the applicable request for telephone numbers.

Per Number Requested: \$0.48

- B. A credit will be given for calls to Directory Assistance when:

- (1) the Customer experiences poor transmission or is cut-off during the call,
- (2) the Customer is given an incorrect telephone number, or
- (3) the Customer inadvertently misdials an incorrect Directory Assistance NPA.

To receive a credit, the customer must notify the Company operator or Business Office of the problem experienced.

⁽¹⁾ Effective April 1, 2001, this service will no longer be available to new subscribers.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 9 – MISCELLANEOUS SERVICES

9.5 Restoration of Service ^{1/}

9.5.1 Description

A restoration charge applies to the restoration of suspended service and facilities because of nonpayment of bills and is payable at the time that the restoration of the suspended service and facilities suspended is arranged. The restoration charge does not apply when, after disconnection of service, service is later re-installed.

9.5.2 Rates

	<u>Non-Recurring</u>
per occasion	\$ 8.50

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 9 – MISCELLANEOUS SERVICES

9.6 IntraLATA Presubscription ^{1/}

9.6.1 Description

IntraLATA Presubscription (ILP) is an arrangement whereby an Exchange Service customer of the Company may select and designate either the Company or another qualified carrier as the presubscribed carrier for "normally dialed" qualifying calls made from that customer's Exchange Access Line. Calls qualifying for intraLATA presubscription are intrastate intraLATA calls that are designated as intraLATA Region to Region calls or intraLATA toll calls.

- Only one ILP (PIC) may be selected for single Exchange Access Line, but that carrier need not be the same as the presubscribed interLATA carrier for that line.
- The following categories of calls made from a customer's line will be carried over the Company's network, notwithstanding the ILP PIC selection for that line.
- All Directory Assistance calls dialed without a carrier access code made using Directory Assistance; calls to 911, calls to information Service Providers (e.g., 976, 700, 540), etc.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 9 – MISCELLANEOUS SERVICES9.6 IntraLATA Presubscription (Continued.)9.6.2 General Regulations

- A. The following regulations are applicable to Exchange Service customers where ILP is applicable:
- (1) At the time of conversion, all existing customers of the Company will be PIC'd to the Company.
 - (2) New line customers will be given an opportunity to select an ILP PIC at the time they place an order for Exchange Access Service. If the new line customer fails to select an ILP carrier, the customer will be informed that the customer must dial a carrier access code (10XXX/101XXXX) to complete qualifying calls until the customer affirmatively selects the Company or another qualified ILP Carrier.
 - (3) The Company will accept as a bona fide PIC a selection of "NO PIC" as a choice. NO PIC customers will have access dialing capabilities to reach participating ILP carriers (10XXX/101XXXX).
 - (4) Customers who have designated the Company or another qualified carrier as their ILP PIC, may select a different carrier for particular qualifying calls, either by dialing 10XXX/101XXXX or other necessary carrier access codes to reach the carrier of choice.
 - (5) A customer entitled to select the ILP PIC may choose at any time, by oral or written notice to the Company, to "freeze" the ILP PIC. A frozen ILP PIC cannot be changed unless the customer removes the freeze. A freeze on the ILP PIC may be removed at any time by oral or written request from the customer. This service will be offered to the customer at no charge.

SECTION 9 – MISCELLANEOUS SERVICES

9.6 IntraLATA Presubscription (Continued)

9.6.2 General Regulations (Continued)

- B. The Company will follow the interim ILP procedures described below during the ILP transition period following availability in the exchange.
 - (1) The Company representative will provide alternative carrier(s) names and contact telephone numbers (if provided by carrier) to customers in random order upon customer request. The Company representatives will not discuss alternative carrier rates or service and will not provide customers with Carrier Identification Codes or access code dialing instructions.
- C. The Company will investigate claims from customers that a carrier submitted an ILP PIC change request without appropriate authorization from the customer. The Company will investigate and attempt to resolve any claims made to Company that the Company has made itself the ILP PIC for a line without proper authority.

SECTION 9 – MISCELLANEOUS SERVICES

9.6 IntraLATA Presubscription (Continued)

9.6.2 General Regulations (Continued)

D. A customer will be billed a non-recurring charge for ILP PIC changes, except as set forth below:

- (1) There will be no charge for an initial ILP PIC change made in each exchange for ninety (90) days following the availability of ILP in the exchange.
- (2) Subsequent to the ninety (90) days Transition Period, there will be no charge for an initial ILP PIC change made by new service customers during the first thirty (30) days following the availability of ILP in the exchange.
- (3) The non-recurring charge for an ILP PIC change is as follows:

<u>Authorized PIC Change</u>	<u>Non-Recurring Charge</u>
Per Telephone Exchange Service Line or Trunk	\$ 5.00

SECTION 9 – MISCELLANEOUS SERVICES

9.7 Unauthorized PIC Change ^{1/}

If any IC requests a Primary Interexchange Carrier (PIC) change on behalf of a billed party (e.g., an end user), and the billed party subsequently denies requesting the change, and the IC is unable to substantiate the change with a letter of authorization signed by the billed party; then:

The billed party will be reassigned to their previously selected IC. No charge will apply to the billed party for this reassignment.

^{1/} Effective April 1, 2001, this service will no longer be available to new subscribers.

SECTION 10 – SPECIAL ARRANGEMENTS10.1 Special Construction10.1.1 Basis for Charges

Where the Company furnishes a facility or service for which a rate or charge is not specified in the Company's tariffs, charges will be based on the costs incurred by the Company and may include: (1) non-recurring type charges; (2) recurring type charges; (3) termination liabilities; or (4) combinations thereof.

Individual case basis (ICB) pricing will only be provided for dedicated, non-switched, private line and special access services and for central office based switching systems which substitute for customer premise, private branch exchange (PBX) services, provided such customer specific pricing shall be equally available to incumbent and alternative local exchange telecommunications companies.

10.1.2 Basis for Cost Computation

The costs referred to in Section 10.1.1 proceeding may include one or more of the following items to the extent they are applicable:

- A. cost installed of the facilities to be provided including estimated costs for the rearrangements of existing facilities. Cost installed includes the cost of:
 - (1) equipment and materials provided or used,
 - (2) engineering, labor and supervision,
 - (3) transportation, and
 - (4) rights of way;
- B. cost of maintenance;
- C. depreciation on the estimated cost installed of any facilities provided, based on the anticipated useful service life of the facilities with an appropriate allowance for the estimated net salvage;

SECTION 10 – SPECIAL ARRANGEMENTS

10.1 Special Construction (Continued)

10.1.2 Basis for Cost Computation (Continued)

- D. administration, taxes and uncollectible revenue on the basis of reasonable average costs for these items;
- E. license preparation, processing and related fees;
- F. tariff preparation, processing and related fees;
- G. any other identifiable costs related to the facilities provided; or
- H. an amount for return and contingencies.

SECTION 10 – SPECIAL ARRANGEMENTS10.1 Special Construction (Continued)10.1.3 Termination Liability

To the extent that there is no other requirement for use by the Company, a termination liability may apply for facilities specially constructed at the request of the customer.

A. The termination liability period is the estimated service life of the facilities provided.

B. The amount of the maximum termination liability is equal to estimated amounts for:

- (1) Cost installed of the facilities provided including estimated costs for rearrangements of existing facilities and/or construction of new facilities as appropriate, less net salvage. Cost installed includes the cost of:
 - (a) equipment and materials provided or used,
 - (b) engineering, labor and supervision,
 - (c) transportation, and
 - (d) rights of way;
- (2) license preparation, processing, and related fees;
- (3) tariff preparation, processing, and related fees;
- (4) cost of removal and restoration, where appropriate; and
- (5) any other identifiable costs related to the specially constructed or rearranged facilities.

SECTION 10 – SPECIAL ARRANGEMENTS

10.1 Special Construction (Continued)

10.1.3 Termination Liability (Continued)

- C. The applicable termination liability method for calculating the unpaid balance of a term obligation. The amount of such charge is obtained by multiplying the sum of the amounts determined as set forth in Section 10.1.3(B) preceding by a factor related to the unexpired period of liability and the discount rate for return and contingencies. The amount determined in Section 10.1.3(B) preceding shall be adjusted to reflect the redetermined estimate net salvage, including any reuse of the facilities provided. This product is adjusted to reflect applicable taxes.

SECTION 10 – SPECIAL ARRANGEMENTS

10.2 Individual Case Basis (ICB) Arrangements

Rates for services offered on an individual case basis (ICB) will be structured to recover the Company's cost of providing services. Terms of specific ICB contracts will be made available to the Commission upon request on a proprietary basis.

SECTION 10 – SPECIAL ARRANGEMENTS10.3 Temporary Promotional Programs

The Company may from time to time engage in special promotional service offerings designed to attract new customers or to increase existing customer awareness of a particular tariff offering. These promotions will be subject to prior notification and approval by the Missouri Public Service Commission.

10.3.1 FX Service Promotion

Beginning March 31, 2000 and ending July 31, 2000, the Company will offer the following promotion to new customers of FX Service. Eligible customers will receive a monthly credit equal to \$81.00 per trunk per T-1 applied to the monthly recurring per trunk charge for FX Service. In addition, the monthly recurring FX Charge will be waived. The benefits of this promotion will apply for the duration of the promotion.

SECTION 10 - SPECIAL ARRANGEMENTS

10.3 TEMPORARY PROMOTIONAL PROGRAMS (CONTINUED)

10.3.18 Local Express Promotion (Continued)

The Promotional Charge is in lieu of the standard tariffed monthly recurring charges (except for DID number charges and Local ISDN-PRI feature package charges) for Promotional Service, usage charges, discounts (including term plan discounts) and any other local promotions (except for Install Waiver Promotion and Local Satisfaction Guarantee Promotion).

Other Conditions: Existing customers are not eligible to receive the Promotional Charge for new Promotional Service added to a location where the customer already has existing local service. Customers are not eligible to receive discounts (including term plan discounts) or any other promotional offerings except for the Local Installation Waiver Promotion and Local Satisfaction Guarantee Promotion.

SECTION 10- SPECIAL ARRANGEMENTS10.3 TEMPORARY PROMOTIONAL PROGRAMS (CONTINUED)10.3.19 MCI Loyalty Plus Promotion IOffer:

Existing Company customers who simultaneously order a new eligible Company service "unit" (see table below) and enroll that unit in this promotion will receive the following benefit: a one-time credit in the amount indicated in the table below, applied to the monthly recurring charges for the new Company service unit. The credit will be applied to the second full-month's invoice following activation of the new service unit. To receive the benefits of this promotion, each eligible service unit must be active, with no pending cancellation request, at the time the credit is applied. Except for this one-time credit, this promotion does not change the terms and conditions that apply to the new service unit.

Customers will also receive a waiver of the non-recurring Company-billed installation charges for installation following promotion enrollment of all eligible service units identified below. Usage charges, monthly recurring charges, expedite charges, change charges, surcharges, any charges imposed by third parties (including access, egress, jack, or wiring charges), taxes or tax-like surcharges, or other Governmental Charges will not be waived.

This promotion applies only with respect to new eligible Company service units ordered between August 31, 2003 and March 31, 2004 for installation within 30 days of order (or by Company's quoted installation date if later), by a Customer with at least one Company service which has been actively billing for at least 90 days prior to enrollment in this promotion.

Customer may enroll any eligible service unit, but any individual unit may be enrolled only once. Customer may not receive the benefits of any other promotional offering or discounts, other than Special Customer Arrangements (SCA) Guide Types 2, 3, 4, 5, 6, 7, 8 or 9 as described in the Company's "Service Publication and Price Guide" (The Guide) located on the Company's website at www.mci.com on any enrolled unit.

SECTION 10- SPECIAL ARRANGEMENTS10.3 TEMPORARY PROMOTIONAL PROGRAMS (CONTINUED)10.3.22 Local Fall Harvest Promotion

Beginning October 1, 2003 and ending October 31, 2003, the Local Fall Harvest Promotion will be available to new Company customers subscribing to new Local Line, Local Trunk-Basic, Local Trunk- DID, Local Trunk- 2 Way Direct, Local ISDN- PRI T1, and Local Trunk T1 service (Local Service) and utilizing the Local Plus Program, Business Advantage Program, Local and Long Distance – Line Solution Plan, Local and Long Distance Service Plus Plan/Local or Long Distance - Trunk Solution. The customer may also utilize Product Package Guide Type 11 or Product Package Guide Type 12 as described in the Company's (T) "Service Publication and Price Guide" located on the Company's Internet site at www.mci.com.

Benefits:

Enrolled Customers who subscribe to Local Service specified above and commit to a term of service for 1 year will receive a 10 percent discount applied to the monthly recurring service charges including DID number charges and monthly recurring charges for optional features and feature packages.

In lieu of the 10 percent discount above, a customer with a one-year contract who, at the expiration of the initial term, renew their contract for a second one-year period will receive a 15 percent discount applied to the monthly recurring service charges including DID number charges and monthly recurring charges for optional features and feature packages. The 15 percent discount will remain in place for each subsequent year that the customer renews service.

The promotional discount is in lieu of all other discounts on Local Service.

10.3.22 MCI No Risk Customer GuaranteeOffer:

The Company will waive applicable early termination and underutilization charges under a term plan, if the Company, within 90 days of the contract effective date, receives written notification from the Customer that it wishes to discontinue the plan. In order to exercise this right, Customer must provide MCI with at least 30 days written notice per the notice provision in the agreement. For any Customer electing to discontinue service under a plan and timely notifying the Company of its intent, service will terminate under the plan 60 days after the date of receipt of the Customer notification. Customers who terminate under this guarantee will be billed and required to repay all credits, including installation credits received under the plan. Customers who have received a product specific promotional benefit and have not met the requirements for the specific benefit shall also reimburse MCI on a pro-rata basis for such other credits received and charges waived. This Guarantee applies only with respect to new eligible Company Customers who receive Company service provided under a contract entered into between December 1, 2003 and March 31, 2004. Customers must enter into a new term plan with a term of service, which equals or exceeds one year. Customer must not have had any MCI billing within the past 90 days.
