**ORDER SUSPENDING TARIFF**

Issue Date: November 23, 2009

Effective Date: November 25, 2009

On October 13, 2009, Velocity The Greatest Phone Company Ever, Inc. applied for certificate of service authority to provide interexchange telecommunications services and for competitive classification. Along with its application, Velocity submitted a tariff with an effective date of November 26. At the same time, Velocity filed an application for authorization to provide competitive local exchange service. That application was assigned File No. CA-2010-0112.

The Commission ordered its Staff to file recommendation in both cases by November 17. On November 18, Staff filed a request for extension of time to file its recommendation in File No. CA-2010-0112, explaining that it was unable to timely file its recommendation because Velocity needs to file certain documents to complete its application. On November 18, the Commission extended the deadline for Staff to file its recommendation regarding the CLEC application to December 2.

Staff has not filed a recommendation in this case and has not requested an extension of time. Presumably, Staff will file its recommendation regarding Velocity's application for IXC authority at the same time it files the recommendation regarding the company's request for CLEC authority, but the IXC tariff is set to take effect on November 26. Therefore, the Commission will suspend the IXC tariff for thirty days to allow time for Staff to complete its recommendation, as permitted by Section 392.220, RSMo (Supp. 2008).

**THE COMMISSION ORDERS THAT:**

1. The tariff submitted under Tariff File No. YX-2010-0262, on October 13, 2009, by Velocity The Greatest Phone Company Ever, Inc., is suspended from November 26, 2009, to December 26, 2009.

2. The specific tariff sheet suspended is:

**Velocity The Greatest Phone Company Ever, Inc.  
P.S.C. MO Tariff No. 1**

3. This order shall become effective on November 25, 2009.
