## 4.5.16 Customer-specific Pricing

Pricing may be determined on a Customer-specific basis where the Company furnishes any business service offered in an exchange in which basic local telecommunications service offered to business customers by the incumbent local exchange company has been declared competitive. The Company will make Customer-specific pricing available for its business services in exchanges where business services have been declared competitive.

Terms of Customer-specific pricing will be provided to the Commission on a proprietary basis upon request.

## 4.5.16 Outfielder Service

**MISSOURI  
Public Service Commission**

## A. General

Outfielder Service is a service whereby a call placed from a station (the originating station) to a customer's (Outfielder Service Customer) telephone number in one exchange (the call forwarding location) is automatically forwarded by the Company central office equipment to the subscriber's remote location. Terminating stations must have incoming call capability. With Outfielder Service calls are forwarded to: (1) a terminating station located within the same exchange as that of the call forwarding location or (2) to a terminating station located within a different exchange.

## B. Regulations

1. Outfielder Service is offered subject to availability of suitable facilities and provided not unusual expense is involved.
2. Outfielder Service cannot terminate on public or semi-public service (i.e., coin telephone).
3. The Company will not provide identification of the originating telephone number to the Outfielder Service Customer.
4. Transmission characteristics may vary depending on the distance and routing necessary to complete the forwarded call.
5. Outfielder Service is not represented as suitable for satisfactory transmission of data.
6. Calls directed to Outfielder on a local basis are forwarded using Local Exchange Service.
7. The Outfielder Service Customer is responsible for subscribing to the appropriate service arrangement for each access path provided by the Company.
8. Outfielder Service is provided on the condition that the customer subscribe to sufficient services and facilities to adequately handle calls to the Outfielder Service Customer without interfering with or impairing any services offered by the Company.
9. Outfielder Service for a Metro Line is available for the monthly rates described below. (N)

4.5.18 Birch Price Protection Plan (1)

(T)

- A. Birch offers optional discounts for Customers that agree to a term commitment of 24 months. Customer is eligible for Price Protection Plan ("PPP") term pricing only where Customer has a minimum of three Birch Basic Business Lines and/or Trunks within an account. The 24-month commitment also qualifies Customers for an Interexchange Service discount and a separate 12-month discount is also available for Interexchange Services as provided in Birch's P.S.C. Mo. Tariff No.1.
- B. Customers subscribing to the PPP must commit to a written term service agreement in a form designated by Birch, which shall include, without limitation, Customer's term selection.
- C. The term will commence on the billing date for the first new line or the first billing date after Customer executes a term service agreement if the service is currently being provided to Customer.
- D. All rules, regulations, fees, charges, taxes and surcharges normally applicable to Birch Basic Business Line and Trunk services shall apply. Any charges in any proposal or quotation are exclusive of taxes and surcharges. Term pricing may not be combined with any other offer.
- E. If monthly term rates as specified in Section 4.5.8 decrease during the term period, Customer may elect to obtain the new rates by executing a new term service agreement with the new rates, with a new term commencement date, and an agreement to the same or greater commitment term period.
- F. For Customers who establish a term service agreement, monthly Birch Basic Business and Trunks rates will not change as a result of a Birch-initiated increase; however, if a Local Exchange Rate Group Reclassification occurs, as set forth in this Tariff, an adjustment for the remaining term of the term service agreement will be made.
- G. If Customer disconnects Services or otherwise terminates its term service agreement prior to the end of the current term for any reason except for a failure by Birch to meet the terms of the Term Customer Service Level Objectives specified below, Customer agrees on the next monthly invoice to pay a termination charge as liquidated damages and not as a penalty, equal to the greater of:
  - 1. \$50.00 per terminated line, or
  - 2. \$10.00 per terminated line multiplied by the number of months remaining in the current term.
- H. Customer may add or terminate new voice lines without termination liability, provided that Customer maintains service to its primary billed telephone number for the remainder of the term commitment and remits payment for any applicable charges, surcharges and fees.

4.5.18 Birch Price Protection Plan (continued)

(N)

- I. The following Service Level Objectives apply to the PPP only, and are subject to all other provisions of this Tariff, including specifically but without limitation, any and all limitations of liability. Birch will use commercially reasonable efforts to provide Services in accordance with the following Service Level Objectives:
  - 1. Complete loss of Service caused solely by a Birch network problem will be remedied within 8 business hours from Customer notification to Birch Network Maintenance ("BNM").
  - 2. Partial loss of Service caused solely by a Birch network problem will be remedied within 12 business hours from notification to BNM.
  - 3. Noise or static caused solely by a Birch network problem will be remedied within 16 business hours from notification to BNM.
- J. As Customer's sole remedy for any failure to meet any of the above Service Level Objectives, unless such Service Level Objective is caused by an event outside the reasonable control of Birch, any event of force majeure, or any failure resulting from facilities, inside wiring or equipment of Customer or third parties, Customer may terminate its term commitment obligation without incurring termination liability by providing written notice to Birch within thirty (30) days of the failure to meet the applicable Service Level Objective. If Customer continues to use Birch service following any such notice of termination, Customer may continue to receive term pricing and pricing update notices.
- K. A Service Level Objective failure shall be deemed to commence upon the opening of a trouble ticket with BNM, as requested by Customer, and shall be deemed to terminate upon the clearing of the same trouble ticket. No failure shall be deemed to have occurred unless Customer has provided reasonable assistance in an effort to diagnose the reported problem. Reasonable assistance includes, but is not limited to, requesting the opening of a trouble ticket from BNM promptly, providing Birch access to Customer's premises, if necessary, and assisting Birch with problem identification and resolution.
- L. Customer shall be responsible at all times for the proper installation, operation and maintenance of any Customer-provided equipment used in connection with the Services. In addition, Customer shall ensure that all such equipment is technically and operationally compatible with the Services and in compliance with applicable laws and regulations.
- M. If Customer relocates to another location in a Birch market where the same Services are available, Customer may transfer Services to the new location if the new Services equal or exceed the number of lines at the old location, upon payment of installation charges for the new location, if applicable; however, rates may vary by location, and Customer's rates may increase.

## 4. SERVICES (continued)

4.5 General Exchange Services (continued)4.5.19 Birch Home Connection Bundles (continued)Footnotes for Birch Home Connection Bundles

- (1) Rate Groups are defined in Section 3 of this Tariff.

The customer is required to have Home Connection Bundle on their primary line. Customers who convert additional line or later install additional lines may add to those lines (1) Home Connection Bundles with no Long Distance Block of Time at the rates specified in Section 4.5.19A; or (2) desired features as specified in Section 4.5.19G; or (3) no Home Connection Bundle or features.

Home Connection lines will automatically be blocked for 900/976 calling. The customer may request that 900/976 access be unblocked.

- (2) Customer has the option to deactivate Call Waiting in the Call Waiting ID Options leaving the customer with Caller ID.
- (3) The Customer may accept or decline the feature(s); however, declining the feature(s) will not reduce the package monthly rate.

- (4) Birch Home Connection Bundles are not available in the Kansas City MCA - 1 service area.

- (5) Long Distance Block of Time allotment applies to all domestic 1+ Direct Dialed minutes of use.

All other types of calls, (Operator Assisted Long Distance calls, OS/DA, International, Toll Free, Calling Card, etc.), will be rated at standard rates according to the rate tables established for the calls.

- (6) Long Distance minutes apply per Customer account. All Rules and Regulations found in the Company's Interexchange Tariff, PSC MO No. 1 will apply to long distance services.
- (7) Usage Sensitive Features (USF) will count as one feature. The USF includes Auto Redial, Call Return and Three Way Calling.

The customer may elect to use USF on a casual basis in lieu of as an optional feature. On a casual basis the customer will be charged \$.50 per use with a maximum per month fee of \$4.00 per USF type.

- (8) Effective March 1, 2004, these rates will only be applicable to existing 1-2 line customers. (N)

## D. Directory Listing

One listing in the directory covering the exchange in which the *Birchual* Office number is located is provided without additional charge. Additional listings and other Directory Listing products may be purchased for the *Birchual* Office number.

- (1) The Service Charge applies to an order for new *Birchual* Office Service, to change the *Birchual* Office number, to change the number to which the number is forwarded, and to add additional paths, whether ordered at the time of conversion of service or on a subsequent order. Only one Service Charge will apply per request, regardless of the number of additions or changes made by the request. The Service Charge will not apply to convert the service and its existing path(s) to Birch or on outside moves of customer's other service if there is no *Birchual* Office number or terminating number change.
- (2) The customer may select Birch long distance service, or another long distance carrier from the Birch-approved long distance carrier list, to carry the traffic from the *Birchual* Office number to the terminating number. When Birch is selected as customer's long distance carrier for service other than its *Birchual* Office Service, as well as for its *Birchual* Office Service, the *Birchual* Office number long distance usage will be invoiced at the customer's plan rate, as applicable, and any usage will contribute to the customer's volume commitment, if any. When Birch is selected as the customer's long distance carrier for its *Birchual* Office Service only, the default Birch long distance rate, as set forth in the Company's Interexchange Tariff, MO P.S.C. No. 1, in Section 5.4.1, will apply to any long distance usage billed.

All Rules and Regulations found in the Company's Interexchange Tariff, MO P.S.C. No. 1, will apply to long distance services.

## 4.5.21 Business First and Business First Metro bundles (1) (continued)

Footnotes for Business First and Business First Metro bundles:

- (1) Business First bundle equipped with basic line is provided within the rate centers set forth in Section 3.1. Business First Metro bundle equipped with a metro line will be offered only in the rate centers set forth 4.5.21C. Metro lines cannot hunt to non-metro lines.

Customer must subscribe all lines at a given location to the Business First and/or Business First Metro bundles.

The installation charges specified elsewhere in this tariff apply to installation of the Business First and Business First Metro bundles.

The only features available are those set forth in Section 4.5.21. Customer may drop any of those features at conversion at no charge, and may drop or add back any of those features following conversion, subject to the feature add/change charge, as tariffed in Section 4.5.13. Birch 3 Feature Value Package or Birch 7 Feature Value Package features packages are not available with the Business First and Business First Metro bundles.

Business First and Business First Metro bundles lines will automatically be blocked for 900/976 calling. The Customer may request that 900/976 access be unblocked.

Usage Sensitive Features (USF) will be included with all local lines. The USF includes Auto Redial and Call Return. The Customer will be charged per activation as tariffed in Section 4.5.3C.

- (2) Call Waiting and Call Waiting ID with Options not available on lines equipped with Series Completion Hunting.
- (3) Customer has the option to deactivate Call Waiting in the Call Waiting ID Options leaving the customer with Caller ID.
- (4) The Long Distance Block of Time allotment applies to all Domestic 1+ Direct Dialed minutes of use, and pools at the Customer's location level. All Rules and Regulations found in the Company's Interexchange Tariff, PSC MO No. 1 will apply to long distance services.

Overage usage rate per minute is \$.045.

All other types of calls, (Operator Assisted Long Distance calls, OS/DA, International, Toll Free, Calling Card, etc.) will be rated at the standard rates according to the Rules and Regulations found in the Company's Interexchange Tariff, PSC MO No. 1.

- (5) Business First and Business First Metro bundles are initially available to new and existing Birch Customers only with a term commitment. Once the term expires, if Customer does not sign up for a new term, the pricing will default to the month-to-month rate tariffed in 4.5.21A.
- (6) The rate groups for Business First Metro bundle equipped with metro lines are as defined in Section 4.5.21C of this Tariff.
- (7) Effective August 8, 2008 this product is not available for new service and may not be moved to new locations. (T)

- (1) Business First bundle equipped with basic line is provided within the rate centers set forth in Section 3.1. Business First Metro bundle equipped with a metro line will be offered only in the rate centers set forth 4.5.21C. Metro lines cannot hunt to non-metro lines.

Customer must subscribe all lines at a given location to the Business First and/or Business First Metro bundles.

The installation charges specified elsewhere in this tariff apply to installation of the Business First and Business First Metro bundles.

The only features available are those set forth in Section 4.5.21. Customer may drop any of those features at conversion at no charge, and may drop or add back any of those features following conversion, subject to the feature add/change charge, as tariffed in Section 4.5.13. Birch 3 Feature Value Package or Birch 7 Feature Value Package features packages are not available with the Business First and Business First Metro bundles.

Business First and Business First Metro bundles lines will automatically be blocked for 900/976 calling. The Customer may request that 900/976 access be unblocked.

Usage Sensitive Features (USF) will be included with all local lines. The USF includes Auto Redial and Call Return. The Customer will be charged per activation as tariffed in Section 4.5.3C.

- (2) Call Waiting and Call Waiting ID with Options not available on lines equipped with Series Completion Hunting.
- (3) Customer has the option to deactivate Call Waiting in the Call Waiting ID Options leaving the customer with Caller ID.
- (4) The Long Distance Block of Time allotment applies to all Domestic 1+ Direct Dialed minutes of use, and pools at the Customer's location level. All Rules and Regulations found in the Company's Interexchange Tariff, PSC MO No. 1 will apply to long distance services.

Overage usage rate per minute is \$.045.

All other types of calls, (Operator Assisted Long Distance calls, OS/DA, International, Toll Free, Calling Card, etc.) will be rated at the standard rates according to the Rules and Regulations found in the Company's Interexchange Tariff, PSC MO No. 1.

- (5) Business First and Business First Metro bundles are initially available to new and existing Birch Customers only with a term commitment. Once the term expires, if Customer does not sign up for a new term, the pricing will default to the month-to-month rate tariffed in 4.5.21A.
- (6) The rate groups for Business First Metro bundle equipped with metro lines are as defined in Section 4.5.21C of this Tariff.

## 4.5.22.1 BirchNet Value Line (continued)

(2) Product may not be available in all CLLIs.

(3) Long Distance Rates apply to all domestic 1+ direct dialed minutes of use.

Long distance is only applicable to standard outbound domestic long distance only, originating from Birch customer to the 50 US States and US territories (Puerto Rico, Guam, USVI, No. Marianas, American Samoa). All other types of calls, (Operator Assisted Long Distance calls, OS/DA, International, Toll Free, Calling Card, etc.), will be rated at standard rate according to the rate tables established for the calls.

Customer may choose to use another carrier for their long distance purposes; however, declining the Birch long distance will not reduce the package monthly rate.

(4) The availability of certain features depends on ILEC feature availability.

(5) An additional charge will apply when adding Birch Unified Messaging or Birch Voicemail to BirchNet Value Line. There is a maximum of 20 extensions per voicemail box.

(6) Call Forwarding –Busy Line and Call Forwarding-Don't answer will be provided for customers who add a voicemail service to their BirchNet Value Line.

(7) Caller ID with Name and Number—Caller ID with Name and Number (Caller ID) enables the terminating Customer to identify the calling party by displayed name and/or number before the call is answered. Caller ID Customers must provide and connect their own compatible CPE.

Line blocking for the delivery of the calling name and/or number is available upon request, at no charge, to the following entities and their employees/volunteers, for lines over which the official business of the agency is conducted including those at the residences of employees/volunteers, where an executive officer of the agency registers with the Company a need for blocking; (a) private, nonprofit, tax-exempt, domestic violence intervention agencies and (b) federal, state and local law enforcement agencies. The Company shall not be liable for any claims for damages caused or claimed to have been caused, directly or indirectly, by the transmission to a Caller ID customer of a name or telephone number which the calling party or the Caller ID customer finds erroneous, offensive, embarrassing, or misleading for any reason, including but not limited to the way in which the calling party's name has been abbreviated. Telephone calling party name and/or number (CPN) information transmitted via Caller ID is intended solely for the use of the Caller ID subscriber. Resale of this information is prohibited by this Tariff. CPN will not be displayed if the called party is off-hook or if the called party answers during the first ring interval. CPN will be displayed for calls made from another central office only if it is linked by appropriate facilities. Caller ID is not available on operator-handled calls.

All other types of calls, (Operator Assisted Long Distance calls, OS/DA, International, Toll Free, Calling Card, etc.), will be rated at standard rate according to the rate tables established for the calls.

Customer may choose to use another carrier for their long distance purposes; however, declining the Birch long distance will not reduce the package monthly rate.

(7) Product may not be available in all CLLIs.

(8) An additional charge will apply when adding Birch Unified Messaging or Birch Voicemail to BirchNet Basic. There is a maximum of 20 extensions per voicemail box.

(9) This rate is inclusive of the Cancel Call Waiting option where available.

## 4.5.23 BirchNet Basic Line Footnotes (continued)

(10) Caller ID with Name and Number—Caller ID with Name and Number (Caller ID) enables the terminating Customer to identify the calling party by displayed name and/or number before the call is answered. Caller ID Customers must provide and connect their own compatible CPE.

Line blocking for the delivery of the calling name and/or number is available upon request, at no charge, to the following entities and their employees/volunteers, for lines over which the official business of the agency is conducted including those at the residences of employees/volunteers, where an executive officer of the agency registers with the Company a need for blocking; (a) private, nonprofit, tax-exempt, domestic violence intervention agencies and (b) federal, state and local law enforcement agencies. The Company shall not be liable for any claims for damages caused or claimed to have been caused, directly or indirectly, by the transmission to a Caller ID customer of a name or telephone number which the calling party or the Caller ID customer finds erroneous, offensive, embarrassing, or misleading for any reason, including but not limited to the way in which the calling party's name has been abbreviated. Telephone calling party name and/or number (CPN) information transmitted via Caller ID is intended solely for the use of the Caller ID subscriber. Resale of this information is prohibited by this Tariff. CPN will not be displayed if the called party is off-hook or if the called party answers during the first ring interval. CPN will be displayed for calls made from another central office only if it is linked by appropriate facilities. Caller ID is not available on operator-handled calls.

(11) Call Forwarding –Busy Line and Call Forwarding-Don't answer will be provided for customers who add a voicemail service to their BirchNet Basic Line.

<u>Birch Long Distance</u>	<u>Rate Per Minute - Business</u>	<u>Rate Per Minute – Residential</u>
In Contract Minutes	\$.049	\$.060
No Contract Minutes	\$.075	\$.075

a. Long distance is only applicable to standard outbound domestic long distance only, originating from Birch customer to the 50 US States, and US territories (Puerto Rico, Guam, USVI, No. Marianas). All other types of calls, (Operator Assisted Long Distance calls, OS/DA, International, Toll Free, Calling Card, etc.), will be rated at standard rate according to the rate tables established for the calls.

b. Toll Free service is available with this product see “Toll Free Service”.

C. BirchNet Basic Plus – Previous Product Names

The following products of Birch Telecom of Missouri, Inc. dba Birch Communications and Ionex Communications Inc., dba Birch Communications have changed their name to BirchNet Essentials Line. The services and rates for each product have previously been grandfathered.

SmartBiz Plus

Home Connection

D. Footnotes for BirchNet Basic Plus:

- BirchNet Basic Plus applies to business and residential customers.
  - All customers will be required to sign a 12, 24 or 36 month term agreement.
  - Early Termination Fees are calculated using the following formula:
    - \$50 x Months Remaining (Per Location)
  - The early termination fee will apply per location on the original term agreement or any subsequent renewal of the term agreement.  
This rate is inclusive of the Cancel Call Waiting option where available.
- Customers may accept or decline the feature(s); however, declining the feature(s) will not reduce the package monthly rate. If more features are chosen with the BirchNet Basic Plus bundle, standard rates will apply.
- The availability of certain features is dependent on ILEC feature availability.
- Some features only apply to residential customers and some features only apply to business customers. Some products may not be available in all CLLIs

## 5. Long Distance Rates apply to all domestic 1+ direct dialed minutes of use.

Long distance is only applicable to standard outbound domestic long distance only, originating from Birch customer to the 50 US States and US territories (Puerto Rico, Guam, USVI, No. Marianas). All other types of calls, (Operator Assisted Long Distance calls, OS/DA, International, Toll Free, Calling Card, etc.), will be rated at standard rate according to the rate tables established for the calls.

Customer may choose to use another carrier for their long distance purposes; however, declining the Birch long distance will not reduce the package monthly rate.

6. An additional charge will apply when adding Birch Unified Messaging or Birch Voicemail to BirchNet Basic Plus. There is a maximum of 3 extensions per voicemail box. Call Forwarding –Busy Line and Call Forwarding-Don't answer will be provided for customers who add a voicemail service to their BirchNet Basic Plus.

7 Caller ID with Name and Number—Caller ID with Name and Number (Caller ID) enables the terminating Customer to identify the calling party by displayed name and/or number before the call is answered. Caller ID Customers must provide and connect their own compatible CPE.

Line blocking for the delivery of the calling name and/or number is available upon request, at no charge, to the following entities and their employees/volunteers, for lines over which the official business of the agency is conducted including those at the residences of employees/volunteers, where an executive officer of the agency registers with the Company a need for blocking;

(a) private, nonprofit, tax-exempt, domestic violence intervention agencies and

(b) federal, state and local law enforcement agencies. The Company shall not be liable for any claims for damages caused or claimed to have been caused, directly or indirectly, by the transmission to a Caller ID customer of a name or telephone number which the calling party or the Caller ID customer finds erroneous, offensive, embarrassing, or misleading for any reason, including but not limited to the way in which the calling party's name has been abbreviated. Telephone calling party name and/or number (CPN) information transmitted via Caller ID is intended solely for the use of the Caller ID subscriber. Resale of this information is prohibited by this Tariff. CPN will not be displayed if the called party is off-hook or if the called party answers during the first ring interval. CPN will be displayed for calls made from another central office only if it is linked by appropriate facilities. Caller ID is not available on operator-handled calls.

(8) Call Forwarding –Busy Line and Call Forwarding-Don't answer will be provided for customers who add a voicemail service to their BirchNet Basic Plus.
