Mr. Morris Woodruff  
 Secretary/Chief Regulatory Law Judge  
 Missouri Public Service Commission  
 200 Madison Street, Suite 100  
 Jefferson City, MO 65102

**RE: Tariff Schedule to Adjust Renewable Energy Standard Rate Adjustment Mechanism rate of KCP&L Greater Missouri Operations Company**

Dear Mr. Woodruff:

Pursuant to 4 CSR 240-20.100 of the regulations of the Missouri Public Service Commission (“Commission”), KCP&L Greater Missouri Operations Company (“GMO” or the “Company”), hereby submits a proposed rate schedule to adjust charges related to the Company’s approved Renewable Energy Standard Rate Adjustment Mechanism (“RESRAM”). The proposed rate schedule bears an issue date of September 28, 2018 and an effective date of December 1, 2018.

Retail customer revenues, as determined in GMO’s general rate case, Case No. ER-2016-0156 which was approved in the Commission Order issued on September 28, 2016, is \$740,105,241; therefore, GMO’s RESRAM cost recovery is capped at an annual allowable RESRAM revenue requirement of \$7,401,052. This amount represents 1% of the electric retail customer revenues. The resulting proposed RESRAM rate applicable to customers’ bills for the period of December 1, 2018 through November 30, 2019 is \$0.00085 per kWh and was calculated as follows:

Retail Customer Revenues (ER-2016-0156)	\$740,105,241
1% limit as stated in 4 CSR 240-20.100(6)	1%
Allowable RESRAM Revenue Requirement	\$ 7,401,052
GMO Projected Energy (kWh)	8,719,922,175
<b>RESRAM per kWh rate</b>	<b>\$ 0.00085</b>

This proposed RESRAM rate of \$0.00085 per kWh remains unchanged from the current effective rate resulting in a monthly charge of \$0.85 per month for GMO Residential customers

Mr. Morris Woodruff, Secretary  
Page 2

using 1,000 kWh per month. The total RESRAM expense balance at August 31, 2018 is \$32,927,025.

Concurrently, documentation containing information required by 4 CSR 240-20.100(6)(12) consisting of a RESRAM revenue reconciliation as well as workpapers that support the proposed rate schedule have been provided.

Please feel free to call me at (816) 556-2209 with any questions concerning this filing.

Respectfully,

Lisa A. Starkebaum  
Manager, Regulatory Affairs
