RESPONSE OF AG PROCESSING INC A COOPERATIVE  
REGARDING TEST YEAR AND TRUE-UP

COMES NOW Intervenor Ag Processing Inc a Cooperative ("AGP") and states that it has no objection to the utility's proposed test year of the 12 months ended June 30, 2006. As to the proposed update period, however, AGP does not agree with that aspect of the proposal and sees no need for an update to the test year. Nor does AGP see any need for a true-up to be scheduled at this time.

Respectfully submitted,

FINNEGAN, CONRAD & PETERSON, L.C.
