Rate I		
Infrastructure System Replacement Surcharge (ISRS)		
<p>DESCRIPTION - Rate I is designed to recover the costs associated with the Company's eligible main, valve, and hydrant replacements, main relocations, and main cleaning and relining projects. This ISRS rate is calculated and implemented in accordance with the provisions of sections 393.1000 to 393.1006 RSMO. Any future changes to this rate will also be made in accordance with those provisions.</p>		
<p>APPLICABILITY - This rate is applicable to any customer class who benefits from the subject utility plant projects eligible for ISRS recovery. The surcharge is calculated consistent with the customer class cost-of-service study recognized by the Missouri Commission in a Company's recent applicable general rate proceeding.</p>		
<p>RATE COMPONENTS - In addition to the other charges provided for in the Company's tariffs, a separate charge for the ISRS will apply for service rendered on and after the effective date.</p>

<p>RULES AND REGULATIONS – The General Rules and Regulations set forth in this tariff shall govern the supply of service under this rate.</p>		
<p>PAYMENT TERMS - All bills for service under this schedule will be rendered in arrears on a monthly or quarterly basis. The due date on the tariff shall be ten (10) days after the "date of rendition" of the bill to the customer. The customer's bill will be due and payable after this due date. The delinquent date printed on the bill will not be less than twenty-one (21) days after the date of the postmark of the bill. Any accounts remaining unpaid at the expiration of twenty-one (21) days shall be considered delinquent and the Company may take such action as specified in its filed rules and regulations.</p>		
<p>TAXES - These rates do not include any municipal, state or federal taxes computed on either billing or consumption basis. Any such taxes applicable shall be added as separate items in rendering each bill.</p>

Minimum Customer Charge Rate for Low-Income Customers

AVAILABILITY- Customers that default on payments for two (2) consecutive months will no longer be eligible for this rate, and will not be allowed to requalify for twelve (12) months. Customers must reestablish eligibility on an annual basis. This rate will be available until the effective date of new rates in Missouri American Water’s next general rate proceeding.

TARIFF QUALIFICATIONS

The program administrator will determine a customer’s eligibility using the following criteria: the customer’s household earnings meet the low-income guidelines for the Missouri Low-Income Home Energy Assistance Program (LIHEAP). Residential customers, who demonstrate a financial need and qualify for LIHEAP, should contact a local Community Action Agency referenced below or any subsequent program administrator whose contact information may be found on Missouri American Water’s web site. Upon qualification for LIHEAP, residential customers with a 5/8” meter will receive a discount of 80% of the fixed 5/8” meter minimum customer charge. The current fixed monthly 5/8” meter minimum customer charge for St. Joseph, Brunswick and Platte County is \$9.00, the discount applied to the customer’s monthly bill would be \$7.20.
