1. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 8 and 9 would be 8.1.
2. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Missouri Public Service Commission. For example, the 3<sup>rd</sup> revised Sheet 8 cancels the 2<sup>nd</sup> revised Sheet 8.
3. Paragraph Numbering Sequences - There are nine levels of paragraph coding. Each level of coding is subservient to the next higher level.

3.1 Undertaking of the Company

3.1.1 Scope

MO. PUBLIC SERVICE COMMISSION

The Company undertakes to provide telecommunication Services in accordance with the terms and conditions set forth in this tariff.

3.1.2 Shortage of Facilities

The Company's Service is subject to availability of suitable facilities. The company reserves the right to limit the length of communications or to discontinue furnishing Service when necessary because of lack of satellite or other transmission medium capacity or because of any force majeure condition.

3.1.3 Liability of the Company

- A. Except as stated in this Section 3.1.3, the Company shall have no liability for damages of any kind arising out of or related to events, acts, rights or privileges contemplated in this tariff. This tariff does not limit the liability of the Company for willful misconduct.
- B. The liability of the Company for damage resulting in whole or in part from, or arising in connection with, the furnishing of Service under this tariff, including but not limited to mistakes, omissions, interruptions, delays, errors, or other defects or misrepresentation shall not exceed the dollar amount of the call in which the Service disruption occurred. Such dollar amount shall be credited on the customers next billing cycle.

liability relating to Services provided pursuant to this agreement, including payment to the Company associated with reasonable attorney's fees.

3.6 Billing and Payment Regulations

3.6.1 Service shall be provided and billed for on a monthly basis. Service shall continue to be provided until the Company's receipt of a request from the Customer for the disconnection of the Service, unless other restrictions apply. Payment is to be made to the address designated on the invoice or such other location as the Company may direct in writing from time to time. In addition to charges for the Company's Service, the Customer shall pay any applicable Federal, state or local use, excise, sales or privileges taxes or assessments such as the Universal Service Fund assessment, resulting from the Services furnished by the Company. Such taxes or assessments shall not be counted toward the attainment of any volume or revenue commitment and will not be discounted. All charges and fees subject to MoPSC jurisdiction, except taxes and franchise fees, will be submitted to the MoPSC for prior approval.

3.6.2 The Customer is responsible for payment of all charges for Service furnished by the Company. This includes payment for calls or Service:

- A. Originated at the Customer's number(s) whether authorized or not;
- B. Accepted at the Customer's number(s) (e.g. 800/888/877 Service);
- C. Billed to the Customer's number via third number billing, a calling card, a Company-assigned Authorization Code, or other special billing number; or
- D. Incurred at the request of the Customer.

A. The Company is not obligated to furnish service to any individual or firm that owes for service previously rendered at the same or a different address, until arrangements have been made to liquidate such previous indebtedness to the Company. In order to insure the payment of all charges due for its service, the Company may require any subscriber to establish his credit by furnishing reference acceptable to the Company. A cash deposit or suitable guarantee in writing may be required if any of the following conditions exist.

1. Applicants with previous telephone service of 12 months or more: The applicant is unable to establish that he had a previous account with a telephone utility for a period of at least twelve (12) months for which all undisputed charges were satisfactorily paid;

2. Applicants with no previous telephone service or with previous telephone service of less than twelve months: The applicant does not meet at least two of the following criteria:

- a. has a valid major national charge card;
- b. has a valid major national oil charge card;
- c. home ownership, excluding mobile home;
- d. has been employed two years or more with the current employer.
- e. has a savings account;
- f. has a local charge card;
- g. has an existing loan from a financial institution not considered delinquent by the creditor.

C. Terms of Deposit:

1. The deposit shall not exceed estimated charges for two months service based on the average bill during the preceding twelve months or in the case of new applicants, two months average monthly bill for all subscribers within a customer class.
2. The deposit shall bear interest at a rate which is equal to one percent (1%) above the prime lending rate as published in the *Wall Street Journal*. This rate shall be adjusted annually on December 1 using the prime lending rate, as published in the *Wall Street Journal* on the last business day of September of each year, plus one percent (1%). The interest shall be credited annually upon the account of the customer or paid upon the return of the deposit, whichever occurs first. Interest shall not accrue on any deposit after the date on which a reasonable effort has been made to return it to the customer.
3. Upon discontinuance or termination of service, the deposit will be credited, with accrued interest, to the charges stated on the final bill, and any balance will be returned to the customer within twenty-one (21) days of the rendition of the final bill.
4. Upon satisfactory payment of all undisputed charges during the last twelve (12) billing periods, guarantors will be released or deposits with accrued interest will be refunded or credited against charges on subsequent bills. Payment of charges will be considered satisfactory if received prior to the date on which the charge becomes delinquent provided the charge is not in dispute. The Company may withhold the refund of a deposit pending the resolution of a dispute with respect to charges secured by the deposit.
5. The Company will maintain records of all pertinent information with regard to each deposit held.
6. The Company will provide within ten (10) days of a customer request a receipt that contains information pertinent to that deposit.

3.8 Disputes by Residential Customers

- A. A customer shall advise the Company that all or part of a charge is in dispute by written notice, in person or by a telephone message directed to the Company during regular business hours. A dispute must be registered with the Company prior to the delinquent date of a charge for the customer to avoid discontinuance of service as provided by this tariff.
- B. When a customer advises the Company that all or part of a charge is in dispute, the Company shall record the date, time and place the inquiry is made; investigate the matter promptly and thoroughly; and attempt to resolve the dispute in a manner satisfactory to both parties.
- C. Failure of a customer to cooperate with the Company in efforts to resolve an inquiry which has the effect of placing charges in dispute shall constitute a waiver of the customer's right to continuance of service under this tariff.
- D. If a customer disputes a charge, the customer shall pay an amount to the Company equal to that part of the total bill not in dispute. The parties shall consider the customer's prior usage, the nature of the dispute and any other pertinent factors in determining the amount not in dispute. The Company shall not discontinue service for nonpayment of charges in dispute while the dispute is pending.
- E. If the parties are unable to determine the amount not in dispute, the customer shall pay to the Company, at the Company's option, an amount not to exceed fifty (50) percent of the charge in dispute or an amount based on usage during a like period under similar conditions which shall represent the amount not in dispute. The Company shall not discontinue service to a customer for nonpayment of charges in dispute while that dispute is pending.
- F. Failure of the customer to pay to the Company the amount not in dispute within four (4) working days from the date the dispute is registered or by the delinquent date of the disputed bill, whichever is later, shall constitute a waiver of the customer's right to continuance of service and the Company may then proceed to discontinue service as provided in this tariff.
- G. If the dispute is ultimately resolved in favor of the customer in whole or in part, the Company must promptly repay any excess moneys paid by the customer.
- H. If the dispute cannot be resolved to the satisfaction of the customer, the Company shall notify the customer of its right to make an informal complaint to the Commission, and of the address and telephone number where the customer may file an informal complaint with the Commission.
- I. After resolution of the customer complaint, the Company may treat a second complaint based on the same facts as already determined.

3.10 Dedicated Access and Private Line Services

3.10.1 Rates for Dedicated Access and Private Line Services will be determined on an Individual Case Basis (ICB). ICB rates will be structured to recover the Company's cost of providing the services and will be made available to customers in a non-discriminatory manner. Terms of the specific ICB contracts will be made available to the Missouri Public Service Commission upon request on a proprietary basis.

3.11 Calculations of Billable Time (Usage Charges)

3.11.1 Unless otherwise specifically stated in this tariff, all calls, regardless of time period, lasting one (1) minute or a fraction thereof, are subject to a minimum billing increment of one (1) minute. Calls are billed in one (1) minute increments thereafter, with partial minutes rounded up to the next full minute.

3.11.2 Chargeable time begins when the connection is established between the calling station and the called telephone number and ends when the connection is terminated.

3.11.3 In determining usage charges, Peak/Off-Peak/Holiday rate periods, as defined in Section 5.1 of this tariff, apply, unless otherwise indicated, and are based on the time where the call originates. In cases where a call begins in one rate period and continues into another rate period, the rate in effect in each period will apply to the portion of the call occurring within the applicable rate period.

3.11.4 All per-call charges of fractional cents shall be rounded to the next full cent unless otherwise stated.
