Customers must sign a twelve (12), twenty-four (24) or thirty-six (36) month term plan. Usage commitments will be set at the time of initiating the service. The contract the Customer signs states the penalty for discontinuation of service. The Customer will be billed the minimum monthly commitment level if the actual monthly usage is below the commitment level. In the event the Customer terminates service with the Company prior to the end of the Term Commitment Period or in the event that the Company terminates service based upon Customer's default, Customer will pay a Termination Penalty to the Company equivalent to the Customer's Monthly Revenue Commitment multiplied by the number of months remaining in the Term Commitment Period. The Termination Penalty will be due immediately upon termination of service. All calls are billed in six (6) second increments after an initial period, for billing purposes, of eighteen (18) seconds. Per minute charges, per call surcharge and monthly recurring charges apply to each service.
