Re: Request Commission Approval of Revised Tariff Sheet No. 2.26  
Whole House Efficiency

Dear Secretary:

Kansas City Power & Light Company ("KCP&L") seeks approval from the Missouri Public Service Commission of the enclosed tariff revisions.

This filing is made to incorporate revisions in the Whole House Efficiency tariff which the Company believes will increase participation in the program while maintaining cost-effectiveness.

KCP&L has discussed the proposed revisions with Staff of the Commission, Office of Public Counsel and Missouri Department of Economic Development-Division of Energy prior to filing.

Thank you for your consideration of the revised tariff. Please contact me directly at (816) 556.2263 or [carol.sivils@kcpl.com](mailto:carol.sivils@kcpl.com) if you require any additional information.

Sincerely,

A handwritten signature in black ink that reads "Carol Sivils". The signature is written in a cursive, flowing style.
