

Otelco Telecommunications LLC

Due to recent rule changes made by the FCC, our local affiliate Otelco Mid-Missouri is forced to raise its local rates. Since local service from Otelco Mid-Missouri is included in your Otelco Telecommunications LLC long distance bundle, this would cause a corresponding increase in your bundle price. To keep the increase in bundle prices to a minimum, Otelco Mid-Missouri is also lowering the price of its caller ID name and number service that is included in some of the bundle prices below. Additionally, if you subscribe to Otelco Mid-Missouri's inside wire maintenance service, that pricing will go from \$4.99/month to \$2.99/month on June 1. The rate changes listed below will take effect on June 1, 2013.

We value our customers, and regret that we are forced to implement this price increase. If you have any questions about how these changes will affect your bill, or any other questions or concerns, please contact us at 611 from your Otelco Mid-Missouri phone line, 660-834-3311, or 800-892-7073.
