Dear Secretary of the Commission:

Southwestern Bell Telephone Company, d/b/a AT&T Missouri, proposes to revise the exchange area map of AT&T Missouri's Malden exchange in P.S.C. Mo.-No. 17.

With this tariff filing, AT&T Missouri is revising the exchange boundary between its Malden exchange and BPS's Parma exchange. A customer residing in the northeast corner of the Malden exchange requested service from the Parma exchange. There are only two customers in the area being transferred. BPS will also make a filing to revise its Parma exchange boundary accordingly.

The proposed tariff changes are reflected on the attached tariff sheet with issued and effective dates of September 3 and October 3, 2014, respectively. Please refer any questions concerning this matter to me on 573-638-0261.

Very truly yours,

/s/ Tim Judge
