NOTICE OF PRICE INCREASE:

Minimum Usage Charge (MUC) RATE CHANGE:

If you have selected AT&T Long Distance as your interstate long distance provider and have not chosen a domestic calling plan, a minimum usage charge (MUC) of \$2.00 currently applies to you. On January 1, 2014, the MUC will increase from \$2.00 to \$3.00. If you accumulate \$3.00 or more in domestic direct-dialed charges in a month, the MUC will be waived; otherwise, the MUC will be the difference between your domestic direct-dialed charges and \$3.00. For more information or to discuss competitive AT&T Long Distance price plans, visit us online at att.com or call the toll-free number on your bill. Thank you for choosing AT&T Long Distance.
