

Local Rate Increase

Due to recent changes mandated by the Federal Communications Commission (FCC), Kingdom Telephone must raise its local rates to \$16.00 per line, per month. Effective December 1, 2014, Kingdom's business and residential local service rate will increase from \$14.00 to \$16.00 per month. It is essential for Kingdom to follow the FCC's order or the Company will lose federal High Cost Loop (HCL) Universal Service Fund support. The USF program is essential to ensuring that rural consumers continue to have access to high-quality networks and affordable service.
