Dear Mr. Woodruff:

As part of a continuing effort to maintain a common brand across all markets and lines of business, Consolidated Communications Enterprise Services, Inc., has filed a fictitious business name statement with the Missouri Secretary of State to do business as Consolidated Communications, effective January 1, 2015.

On December 1, 2014, Consolidated Communications Enterprise Services, Inc. ("Consolidated"), filed for a name change in case number XN-2015-0140 and a complete tariff replacement under tariff tracking number YX-2015-0214. Consolidated, in error, did not file a copy of the customer notice with that filing. Attached to this supplement is a copy of the customer notice indicating the addition of the new fictitious business name to do business as Consolidated Communications.

With the December 1, 2014, case filing, Consolidated did not file a tariff adoption notice because the existing tariff of Consolidated Communications Enterprise Services, Inc. dba Consolidated Communications Network Services is being replaced in its entirety with the new tariff filed in YX-2015-0214 for Consolidated Communications Enterprise Services, Inc. dba Consolidated Communications.

Should you have any questions concerning any of the above, please don't hesitate to contact me.

Respectfully submitted,

A handwritten signature in blue ink that reads "Linda Kohler Lupton".
