SECTION A - DEFINITION OF TERMS

REC'D SEP 09 1999

For the purpose of this tariff, the following definitions shall apply:

Collect Call

A billing arrangement which bills the charge for a long distance call to the called station's telephone number. The person agreeing to accept the call, whether they are an MCI WORLDCOM customer or not, is responsible for all charges related to the call. Regardless of whether the person is an MCI WORLDCOM customer or not, he or she is subject to the provisions of this tariff which are applicable to the call accepted.

Person-to-Person

A service for which the person originating the call specifies to the Company operator a particular person, mobile station, department, extension, or office to be reached. If the called party is unavailable and the calling party requests or agrees to speak to a party other than the party initially specified, the call is still billed as a Person-to-Person.

THE MISSOURI PRISON PAYPHONE SYSTEMSECTION B- SERVICE DESCRIPTION AND RATES1. OPERATOR ASSISTANCE FOR MISSOURI PRISON PAYPHONES.01 Scope of ServiceMaximum Security Collect Service (Cont'd)B. BILLABLE LOCAL EXCHANGE COMPANY PROGRAM

Maximum Security Collect Service Customers whose local provider does have a billing and collection agreement with the Company and who bill less than a volume of \$100 a month may be billed via their local exchange carrier provided they are not a high risk customer.

Maximum Security Collect Service Customers whose local provider does have a billing and collection agreement with the Company and who bill in excess of a volume of \$100 in Maximum Security Collect Services in any month may be required to be direct billed with certain restrictions. Other customers who also may be deemed high risk may also be required to be direct billed by the Company with certain restrictions below.

Maximum Security Collect Customer Account Provisions - Direct Billing Arrangement:

- a) Once the Customer has been notified via a voice response unit that their billing option is changing to a Direct Billing Arrangement by the Company, the customer must call the Company, within 2 days of the notification, and provide a verifiable telephone number and associated billing name and billing address. Otherwise, their telephone number will be subject to blocking.
- b) At the time of account establishment, the Customer may be required to provide the Company a copy of his or her most recent telephone bill. The Company reserves the right to deny service if the associated telephone number and billing name and billing address on the telephone bill do not match the information provided by the customer, or if the bill reflects that the Customer has not paid in full for telephone services.
- c) At the time of account establishment, the Customer will be allowed to accept a predetermined volume of monthly collect calls. When the monthly volume is exceeded, the telephone number will be blocked until full payment is made at which time the block will be removed.
- d) After account establishment, the Customer will receive a letter explaining the program in detail.
- e) Payments may be made multiple times within a month to reset the volume limit. This allows customers to receive unlimited calls in a month as long as full payment is made when the volume limit has been reached.
- f) A voice response unit will send a message to the Customer warning that their volume limit is about to be reached. A second voice response unit will send another message to the Customer explaining that volume limit has been reached and their telephone number is now blocked.

- G) Payments may be made via a credit card by calling the Company, or via a check/money order using a remittance slip that is furnished to the Customer upon request.
- H) Upon Customer request to the Company following three discreet consecutive months of direct billed proven good payment history, the Customer may request that the Company increase the Customer's volume limit by \$50 a month. Customer must be in good standing as well with any other MCI service.
- I) The Customer will receive monthly invoices for the service based upon the Company's monthly billing periods.

Establishment of Call Volume

The Company reserves the right to validate previous payment history of Customers through available verification procedures and to establish a maximum predetermined volume amount. Where a requested billing method cannot be validated, the Company may refuse to provide service.

Restrictions on the Use of Service

The Company may, without notice (consistent with governing laws or regulations), block traffic to or from specific countries, country codes, cities, city codes, local telephone exchanges (NXX exchanges), individual telephone stations, groups or ranges of individual telephone stations, or whenever the Company deems it necessary to take such action to prevent (1) the unlawful use of service; (2) nonpayment for service; (3) the use of service in violation of this Agreement; or (4) network blockage or the degradation of service furnished to you or other customers.

The Company may discontinue the furnishing of any and/or all service(s) to a customer, without incurring any liability, immediately and without notice if the Company, in its sole discretion, that such action is necessary to prevent or to protect against fraud or to otherwise protect its personnel, agents, facilities or services. The Company may discontinue service pursuant to this subsection if:

- a) The customer refuses to furnish information to the Company regarding the customer's payment history, its past or current use of services, or its planned use of service(s);
- b) The customer provided false information to the Company regarding the customer's identity or address. Or, did not validate the customer's identity or address as requested by the Company. Or, did not update customer's address or identity on a change that the customer incurred; or
- c) The customer states that he/she will not comply with a request of the Company for past due payments or prepayments.
