RE: Request Commission Approval of Tariff Sheet No. 110 through 119.9 Net Metering Interconnection Application Agreement.

Dear Secretary:

Greater Missouri Operations Company ("GMO" or "Company") seeks approval from the Missouri Public Service Commission of the enclosed Net Metering Interconnection Application Agreement. The revised tariffs incorporate recent changes instituted by House Bill No. 142. The Application Standards (sheets 115 and 116) were updated and more clarification was added for the appeal or resubmittal process. There are cosmetic changes to the word "company" which was changed to GMO to be consistent with House Bill No. 142.

Thank you for your consideration of these tariffs. Please contact me directly at (816) 556-2705 or Lisa.Casteel@kcpl.com if you require any additional information.

Sincerely,
