**Re: Missouri-American Water Company  
Water and Sewer**

Dear Mr. Reed:

On behalf of Missouri-American Water Company (“MAWC” or “Company”), I am providing herewith to the Missouri Public Service Commission (“Commission”) for filing certain tariff rate sheets in electronic form consisting of revised water and sewer tariff sheets. The proposed tariff rate sheets are listed on **Appendix A**, bear a date of issue of June 30, 2011, and an effective date of July 30, 2011.

The purpose of this filing is to implement a general rate increase for water and sewer service provided by MAWC. The revised rates are designed to produce an additional \$42.9 million in gross annual water and sewer revenues (excluding gross receipts and sales taxes) or a 17.98% increase over existing water revenues. As a result of the existing ISRS surcharge being rolled into permanent rates and reset to zero, the net percentage increase to customers would be approximately 17.7%.

The water rates have been designed to implement the Company’s proposal to move to consolidated pricing (sometimes referred to as single-tariff pricing). Provided herewith as **Appendix B** is a description of the impact MAWC’s proposal would have on residential customers in each district utilizing an average amount of usage for that district.

Further provided in electronic form are the direct testimony and schedules of the following MAWC witnesses:

Pauline M. Ahern  
Michi Q. Chao  
Kevin H. Dunn

Also, MAWC's Minimum Filing Requirements, as required by Commission Rule 4 CSR 240-3.030(3)(B), are contained in Schedule DRW-1, attached to the Direct Testimony of Dennis R. Williams.

Finally, attached to the Direct Testimony of Dennis R. Williams as Schedules DRW- 2 and DRW – 3 is a comparison of the impact by district and primary rate schedule of proposed rates under consolidated versus district specific pricing.

Please see that this filing is brought to the attention of the appropriate Commission personnel. Thank you for your cooperation in this matter.
