

Due to the rapidly increasing cost of providing Internet service in your rural area, we are increasing the Power Pack rate to **\$107.99/month** effective April 1st.

However, you may be able to increase your Internet speeds for new, lower prices!

AVAILABLE ON APRIL 1ST:

LIMITED TIME OFFER - ACT NOW!

Upgrade your Power Pack Internet speed to our new **16 Meg Service** **\$5⁰⁰** additional /month for 6 months

EXPIRES 6/30/15. Available to current 3 Meg and 5 Meg Power Pack customers. After the 6 month promotional period, the standard Power Pack up-charge of \$15.00/month for 16 Meg Internet will apply. Wireless networking fees are not included in the above rate. Phone service is required to receive Internet service. Faster speeds may not be available, due to customer's location. Please call or submit our online form to determine your eligibility to receive the 16 Meg speed package.

-OR- LIMITED TIME OFFER - ACT NOW!
