345,000-volt Electric Transmission Line in Marion	)	
County, Missouri, and an Associated Switching Station	)	
Near Palmyra, Missouri.	)	

APPLICATION TO INTERVENE OF
THE MISSOURI INDUSTRIAL ENERGY CONSUMERS

Comes now the Missouri Industrial Energy Consumers ("MIEC") and, pursuant to 4 C.S.R. 240-2.075, and the Commission's February 23, 2015 *Order and Notice,* files its application to intervene. For its application, the MIEC states as follows:

1.   The MIEC is a Missouri corporation, and the members of the MIEC are large industrial customers of Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri"). Ameren Missouri will be passing through to Missouri ratepayers costs incurred by it on account of the subject transmission project.

2.   As large industrial customers of Ameren Missouri, the MIEC's interest is different than that of the general public and may be adversely affected by a final order arising from this case.

3.   The MIEC does not yet have a position on the issues in this case and reserves the right to take positions on specific issues as this case proceeds.

4.   The MIEC's intervention will serve the public interest by assisting the Commission's record for decision in this case.

WHEREFORE, the MIEC requests that it be permitted to intervene and be made a party to this case for all purposes.

Respectfully submitted,

BRYAN CAVE, LLP
