Small Business Unlimited Solutions customers will receive unlimited interstate and intrastate Dial-1 calling for a monthly recurring charge.

This service can be ordered only through Sprint LTD and the customer will pay a monthly recurring charge for each line ordered, up to a maximum of three lines. FONCARD service and Operator Services are available. The Company will prorate all charges in the initial month and the last month of service based on a 30-day month. The rates will apply as long as the customer remains both a Embarq Communications, Inc. long distance and an Sprint LTD customer.

The following restrictions apply:

- A. Use of any feature including, but not limited to, call forwarding on a planned and continuing basis to allow an originating caller to avoid long distance charges is prohibited.
- B. Toll Free Service is not included with Small Business Unlimited Solutions. Toll Free Service is available as an add-on to Small Business Unlimited Solutions customers and will incur the appropriate charges as set forth elsewhere in this Tariff.
- C. A customer's phone line may not be classified as a "residential," "public," or "semi-public" line or in housing associated with educational institutions.
- D. The term "unlimited interstate and intrastate Dial-1 calling" does not include: 1) usage from multi-party conference calls; 2) calls to 900, 976, 555 and 700 NPA's; 3) calls to Directory Assistance; 4) FONCARD calls; 5) operator service calls and intercept call completion or 6) inbound toll free calls.

106.1 Legacy Message Telecommunications Service (MTS) (Continued)

106.1.7 Voice Solutions (Continued)

A Voice Solutions customer must commit to one of the following minimum annual commitment levels of contributory usage charges: (1) \$1,500, (2) \$3,000, (3) \$6,000, (4) \$12,000, (5) \$36,000 or (6) \$60,000. Contributory usage charges (calculated prior to the application of any discounts) are aggregated across outbound, toll free, switched data (inbound and **outbound**), **including** all calling options; all locations and all jurisdictions (intrastate, interstate and international) in order to meet the minimum annual commitment level. (C)

The Company reserves the right, after the conclusion of the first three billing months of the Voice Solutions customer's contract, to move the customer to a lower commitment level that is more directly comparable to the customer's current usage.

Voice Solutions customers terminating all Voice Solutions services prior to fulfilling their term commitment will be assessed a termination liability in an amount equal to the underutilized portion of the MAC plus the full MAC for any remaining 12 month periods in their term plan agreement. The termination liability will be billed in one lump sum. Customers will not incur this termination liability for their former term plan commitment if they request a new MAC equal to or greater than the previous level and agree to sign a new term plan agreement for a period equal to or greater than the term of their current plan. The customer will, however, be assessed the termination liability if they terminate all Voice Solutions service prior to fulfilling their new term commitments.
