ORDER GRANTING MOTION FOR EXPEDITED TREATMENT AND APPROVING TARIFF IN COMPLIANCE WITH COMMISSION ORDER

Issue Date: December 7, 2018

Effective Date: December 7, 2018

On August 20, 2018, Missouri-American Water Company’s (“MAWC”) submitted a request to establish an Infrastructure System Replacement Surcharge (“ISRS”). On December 5, the Commission issued a *Report and Order* rejecting Tariff Number YW-2019-0018. In that order, the Commission authorized MAWC to file a new tariff reflecting the terms of the Order, namely that the recovery should not include net operating loss¹. On December 5, MAWC filed a compliance tariff sheet (Tracking No. YW-2019-0114) designed to produce the appropriate revenue increase. The filed tariff sheet has an effective date of January 4, 2019.

On December 5, MAWC filed a *Motion for Expedited Treatment*, requesting the proposed tariff sheet to go into effect on December 15, 2018, rather than January 4, 2019. MAWC states that no harm will result from granting their motion, as their request is in conformity with the Commission order approving the ISRS.

On December 5, the Commission issued an order for an expedited recommendation from Staff of the Missouri Public Service Commission. Staff filed their

¹ Report and Order, p. 9.

recommendation for approval of the compliance tariff on December 6. Staff states it has no objections to the request for expedited treatment. No objections to MAWC's compliance tariff or its request for expedited treatment were received.

Upon reviewing the pleadings, the Commission finds MAWC's tariff sheet complies with the Commission's December 5, order and will approve it. Furthermore, the Commission finds good cause exists for the tariff to become effective in less than thirty days. For this reason, the Commission will approve the tariff becoming effective on February 1, 2015.

THE COMMISSION ORDERS THAT:

1. The following tariff filed on December 5, 2018, by Missouri-American Water Company, and assigned Tracking No. YW-2019-0114, is approved to become effective on December 15, 2018:

P.S.C. MO. No. 13
10th Revised Sheet No. RT 10, Canceling 9th Revised Sheet No. RT 10

2. This order shall be effective on December 7, 2018.

BY THE COMMISSION
