Order Recognizing Name Change

Issue Date: May 6, 2009

Effective Date: May 27, 2009

The Missouri Public Service Commission grants the application for recognition of
the following name change:

From: Inter-Tel NetSolutions, Inc.

To: Mitel NetSolutions, Inc.

For: competitive local telecommunications.

On April 22, 2009, the Commission received the application, with an adoption notice
effective May 22, 2009. On April 27, 2009, the Commission received two substitute
tariff pages—one replacing the other—effective May 27, 2009. On May 1, 2009, the
Commission's Staff filed its verified recommendation supporting approval of the
application.

Such an application must include:

(A) A statement, clearly setting out both the old name and the new name;

* * *

(C) [An] adoption notice and revised tariff title sheet with an effective date which is not fewer than thirty (30) days after the filing date of the application[.¹]

Those items are present in the application. In addition, the application must include:

(B) Evidence of registration of the name change with the Missouri secretary of state[.²]

That item is present because the application includes a copy of an amended certificate of authority from the Missouri secretary of state. Staff also states that no annual report, annual assessment fee, and Missouri Universal Service Fund remittance due the Commission is past due.

Because the application meets the Commission's standards, the Commission grants the application and recognizes the name change.

The Commission orders that:

1. The name change of Inter-Tel NetSolutions, Inc., to Mitel NetSolutions, Inc., is recognized.

2. The revised tariff sheet issued by Mitel NetSolutions, Inc., on April 27, 2009, as tariff tracking number YC-2009-0753, is approved to become effective on May 27, 2009.

¹ 4 CSR 240-2.060(5).

² *Id.*

3. The tariff approved is:

Mitel NetSolutions, Inc. Missouri PSC Tariff No. 2
1st Revised Page No. 1, cancelling Original Page No. 1.

4. This order shall become effective on May 27, 2009.

5. This case may be closed on May 28, 2009.
