RE: Preferred Long Distance, Inc. Tariff Advice Letter No. 10

Dear Mr. Reed:

Enclosed for submission to the Missouri Public Service Commission ("Commission") are revised Sheet No. 40 to Preferred Long Distance, Inc.'s ("Preferred") Missouri switched exchange access tariff, Missouri P.S.C. Tariff No. 2.

With this submission, Preferred complies with the July 1, 2013 interstate access rate benchmarking requirement set forth in Section 51.911(c) of the Federal Communications Commission's ("FCC") rules, 47 C.F.R. § 51.911(c), Access Reciprocal Compensation Rates for Competitive LECs, promulgated under the USF/ICC Transformation Order, as amended, which states in part:

Beginning July 1, 2013, notwithstanding any other provision of the Commission's rules, all Competitive Local Exchange Carrier Access Reciprocal Compensation rates for switched exchange access services subject to this subpart shall be no higher than the Access Reciprocal Compensation rates charged by the competing incumbent local exchange carrier, in accordance with the same procedures specified in §61.26 of this chapter.

Preferred now sets its composite terminating intrastate rate at parity with the corresponding interstate rate, effective July 1, 2013.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
