RE: Liberty Utilities (Missouri Water) LLC

Dear Judge Woodruff:

I am providing to the Commission for filing, in electronic form, a new PSC MO No. 21 for Liberty Utilities (Missouri Water) LLC (the “Company”). The Company’s rules and regulations found in PSC MO Nos. 7-12 were identical, with the tariff packages varying only with regard to company and service area names, service area maps, service area legal descriptions, and the rates for customer and commodity charges.

For ease of administration, the Company seeks to combine these existing tariffs into one, with PSC MO No. 21 being established and PSC MO Nos. 7-12 being cancelled. The specific PSC MO No. 21 tariff sheets being submitted, in addition to a Title Page, are as follows:
