VIA EFIS

Secretary  
Missouri Public Service Commission  
Governor Office Building  
200 Madison Street  
Jefferson City, MO 65101

Dear Secretary,

Enclosed herewith for filing with the Missouri Public Service Commission is the new Single Family Low Income program tariff sheets, P.S.C. MO. No. 7 Original Sheet No. R-30.21 and P.S.C MO. No. 8 Original Sheet No. R-30.21 in regards to Spire Missouri Inc. d/b/a Spire (the "Company"). These tariff sheets, have an issue date of August 28, 2019, and an effective date of September 27, 2019, reflected by Sheet No. R-30.21 of the Company's tariff.

The Company has designed this new tariff sheet to align with the Ameren Low Income Single Family program tariff that was recently approved for their MEEIA Cycle 3 portfolio of programs. The purpose of the Program is to deliver long-term natural gas savings and bill reductions to low income customers who occupy single family dwelling units within the Spire Missouri East service territory.

This new program tariff will not increase our overall Energy Efficiency Portfolio budget for FY19 or FY20. The goal is for Spire to align our new program tariff with the Ameren program so we can continue to serve our shared customers better moving forward.

Sincerely,  
/s/ Shaylyn Dean
