Secretary of the Commission
Missouri Public Service Commission
P. O. Box 360
Jefferson City, Missouri 65102-0360

Dear Secretary of the Commission:

Southwestern Bell Telephone Company, d/b/a AT&T Missouri, proposes to revise the exchange area maps of AT&T Missouri's Fenton and Maxville exchanges in P.S.C. Mo.-No. 17.

With this tariff filing, AT&T Missouri is revising the exchange boundary between its Fenton and Maxville exchanges so that the western portion of New Konert Lake Estates subdivision will now fall into the Maxville exchange. The majority of the lots are located in the Maxville exchange. Only 10 lots in the western portion of the subdivision are located in the Fenton exchange. These 10 lots will be incorporated into the Maxville exchange so that the entire subdivision is served by one exchange (Maxville).

The proposed tariff changes are reflected on the attached tariff sheet with issued and effective dates of September 3, 2014, and, October 3, 2014, respectively. Please refer any questions concerning this matter to me on 314-331-1610.

Very truly yours,

/s/ Tim Judge

I certify that a copy of the foregoing, including attachments, is being sent via e-mail to the Office of Public Counsel at opcservice@ded.mo.gov this 3rd day of September 2014.
