**ORDER APPROVING TARIFF**

Issue Date: October 7, 2022

Effective Date: October 21, 2022

On October 5, 2022, the Commission issued its *Order Approving Stipulation and Agreement*, which authorizes changes to Spire Missouri East and Spire Missouri West’s (collectively “Spire”) Infrastructure System Replacement Surcharges (ISRS). The Commission’s order directed Spire to file a tariff revision conforming to the Commission’s order. The Commission also ordered its Staff (Staff) to file a recommendation about the compliance of the tariff sheets no later than October 11, 2022.

Spire filed a tariff revision with a motion for expedited treatment on October 5, 2022. Staff filed a recommendation on October 7, 2022, advising that the tariff revision complies with the Commission’s *Order Approving Stipulation and Agreement*. Staff requests that the Commission approve the tariff sheets to become effective at least 10 days after the Commission issues an order approving the tariff sheets.

Spire’s compliance tariff sheets bear an effective date of November 5, 2022, but the Stipulation and Agreement in this case requires that resulting rates are effective no later than October 21, 2022. The Commission’s order approving that Stipulation and Agreement found good cause to allow a tariff filed in compliance with its order to take effect in less than 30 days after filing.

The Commission has reviewed the compliance tariff sheets and Staff's recommendation and finds that the tariff sheet should be approved, also that there is good cause to expedite the effective date of the tariff sheets. The Commission will approve Spire's compliance tariff sheet to become effective on October 21, 2022. In addition, the Commission finds it reasonable to make this order effective in less than 30 days so that the order will be effective concurrently with the compliance tariff. It is unnecessary to address Spire's motion for expedited treatment as the Commission's previous order allowed for any compliance tariff to take effect less than 30 days after filing.

**THE COMMISSION ORDERS THAT:**

1. The following compliance tariff filed by Spire on October 5, 2022, and assigned Tracking No. YG-2023-0063, is approved to become effective on October 21, 2022:

**P.S.C. MO. No. 9**

Second Revised Sheet No. 12, canceling First Revised Sheet No. 12

2. This order shall become effective on October 21, 2022.
