3. METERED USE SERVICE (Cont'd)

92. Option CCC (Integrated Plan RLH)¹ (Cont)

The Company reserves the right to discontinue offering the service and grandfather existing customers on one days notice to the Commission, in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

This service is for use by residential customers. The Company reserves the right to adjust a customers service upon appropriate customer notification. If it is determined that non-voice usage applications (including, but not limited to, dial-up internet service or facsimile service) exceeds reasonable limits, the company may use its discretion either to disconnect the customer's residential service upon appropriate customer notification or to charge a \$50 monthly recurring data/internet usage charge in addition to all charges set forth in customer's residential service.

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Access Transmission Services, LLC Missouri P.S.C. Tariff No. 1. All intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

Terminations:

The following termination provisions apply to customers of this service who continue to maintain a Company account and who do not elect to subscribe to other service offerings under this tariff:

1. For existing customers who disconnect from either a) residential service under MCImetro Access Transmission Services, LLC Missouri P.S.C. Tariff No. 1. residential service under MCImetro Access Transmission Services, LLC Missouri P.S.C. Tariff No. 1. and intraLATA service under this tariff, or c) residential service under MCImetro Access Transmission Services, LLC Missouri P.S.C. Tariff No. 1. and interstate service under <http://www.mci.com/service/>: The companion residential long distance service under <http://www.mci.com/service/> , and intraLATA and/or interLATA service under this tariff, as well as residential service under MCImetro Access Transmission Services, LLC Missouri P.S.C. Tariff No. 1., will terminate. Customers will then be automatically re-subscribed to the service offering under this tariff for intraLATA service (if customer retains intraLATA service) and/or the service offering under <http://www.mci.com/service/> for interstate service (if customer retains interstate service) to which customer was subscribed at the time of subscription to this plan.

¹Effective June 1, 2005, Integrated Plan RLG will no longer be available to new customers.

3. METERED USE SERVICE (Cont=d)

94. Option GGGG (Basic Calling Plan AAA)

Service Commission

Basic Calling Plan AAA is an outbound and inbound service available to new residential customers of Company service i) who are not presently subscribed to long distance service provided by the Company or its subsidiaries, but who were previously subscribed to Company service ("previous Company service"), ii) who disconnected from their previous Company service in order to subscribe to service offered by another long distance carrier, and iii) who have not resubscribed to any Company service between the time of disconnection of their previous Company service.

By subscribing to this service, Customers understand that use of this service is restricted in the following manner: Usage for non-voice applications (including but not limited to dial-up internet service and facsimile service) is limited to 2000 minutes per month. If it is determined that non-voice usage exceeds these limits, the Company may disconnect the customer's service after providing appropriate notice, however the customer may continue to receive the service if he or she agrees to pay a \$50.00 monthly recurring data usage charge. Additionally, customers may have no more than three (3) lines per account.

.941 Monthly Account Fees:

Customers enrolled in this plan will be charged a \$27.95 monthly recurring charge.

.942 Access Methods and Charges:

.9421 Calling Card:

Basic Calling Plan AAA Calling Card access is available for origination from touch tone or rotary phones by dialing an MCI provided 800 number. Customers will be charged a per minute rate of \$0.55 for all time periods for all interstate calling card calls and per call surcharge of \$0.99. Customers will be charged a per minute rate of \$0.20 for all time periods for calling card calls which terminate to the customers billed ANI with no per call surcharge.

.9422 MCI Personal 800 Number:

This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set below. A Personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number or any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number.

Per-Minute Rate: \$0.45

.943 Directory Assistance: An undiscounted charge per call will be applied to each Directory Assistance call, subject to the rate and provisions set forth in Section B-6.08.

.944 Operator Assistance: The charges found in Section C-3.0264, herein, apply to all Basic Calling Plan AAAA customers without regard to the type of access.

New customers subscribing to Basic Calling Plan AAA will receive a \$8 credit off i) the Basic Calling Plan AAA monthly recurring charge; this credit will be applied against customer's first six full invoices after enrollment.

Customers disconnecting from this service will be assessed the full amount of the monthly recurring charge for their final full or partial month of service. For customers eligible for the credit described in the preceding paragraph, the credit will apply against the monthly recurring charge for the final month provided the customer disconnects within six months of enrollment.
