Re: Tariff Filing to Change an Infrastructure System Replacement Surcharge
Case No. GO-2021-0030 and GO-2021-0031

Dear Secretary:

Enclosed for filing is P.S.C. MO. No. 7, Sixth Revised Sheet No. 12, which is applicable to the Spire Missouri East operating unit of Spire Missouri, Inc. and P.S.C. MO. No. 8, Sixth Revised Sheet No. 12, which is applicable to the Spire Missouri West operating unit of Spire Missouri, Inc.

These revised tariff sheets, which have an issue date of November 12, 2020 and an effective date of December 12, 2020, are being filed to change the Infrastructure System Replacement Surcharge ("ISRS") rates in accordance with Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri and in response to the November 12, 2020 Commission's Order Approving the Unanimous Stipulation and Agreement between the Company, Staff, and OPC.

Also filed, as part of these cases, is Spire Missouri Inc's Motion for Expedited Treatment requesting that these tariffs become effective on November 22, 2020, which is consistent with the Unanimous Stipulation and Agreement and the Order Approving the Stipulation and Agreement.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

/s/ Scott Weitzel
