VIA EFIS

Secretary Morris Woodruff
Missouri Public Service Commission
Governor Office Building
200 Madison Street
Jefferson City, MO 65101

Dear Secretary Woodruff:

Enclosed herewith for filing with the Missouri Public Service Commission on behalf of Spire Missouri Inc. d/b/a/ Spire for its western Missouri service territory are Revised Tariff Sheets:

**P.S.C. MO. No. 6 Consolidated, Second Revised Sheet No. 106.1
CANCELLING P.S.C. MO. No. 6 Consolidated, First Revised No. 106.1**

The purpose of Second Revised Tariff Sheet No. 106.1 is to clarify post-program analysis for Spire's participation in, and co-delivery of, Independence Power & Light's (IPL's) pilot weatherization program.

Because the Company has a pending general rate case proceeding, File No. GR-2017-0216, the Company intends to file a substitute proposed tariff sheet in that case to reflect the terms of the Revised Tariff Sheet being filed today following the effective date of the tariff.

Thank you for bringing this matter to the attention of the appropriate Commission personnel.

Sincerely,

/s/ Rick Zucker

Rick Zucker

For: All Missouri Gas Energy Service Areas

PROMOTIONAL PRACTICES

PP

F. Energy Efficiency Collaborative

The Energy Efficiency Collaborative (EEC), which was formed in Case No. GT-2008-0005 and continued in Case No. GR-2009-0355, will provide oversight for the implementation of this IPL Pilot Weatherization Program.

G. Program Evaluation

Spire will conduct an internal billing analysis of the pilot Program after the second year of the Program and make a determination of cost-effectiveness by comparing the energy savings of participants with a non-participant comparison group.
