RE: HT-2022-0284 – for service provided Q3 2022

Mr. Woodruff:

Filed through EFIS is the following steam tariff sheet for filing on behalf of Evergy Missouri West, Inc. d/b/a Evergy Missouri West – For St. Joseph, Missouri and Environs, providing the current Quarterly Cost Adjustment (“QCA”) per the Stipulation and Agreement in Case No. HR-2009-0092, and adjusted in Case No. HR-2018-0231.

The tariff sheet, listed below, has a proposed effective date of December 1, 2022. The proposed QCA rate is \$2.2550 as compared to the current effective rate of \$1.9315. The increase in the QCA rate continues to be driven by higher natural gas prices during the third quarter of 2022 as compared to the same time period in 2021. Workpapers in support of the calculation are also included with this filing.

Evergy Missouri West, Inc. d/b/a Evergy Missouri West, PSC Mo. No. 1, Steam Rates, Effective December 1, 2022 – 54th Revised Sheet No. 6.10, canceling 53rd Revised Sheet No. 6.10.

Respectfully,

Lisa A. Starkebaum
