Re: 3L Communications Missouri, LLC – revisions to Tariff P.S.C. MO No. 2.

Dear Secretary of the Commission:

Enclosed for filing please find the following revised tariff sheet:

P.S.C. MO No. 2, Second revised Sheet 62, Canceling First revised Sheet 62

This revised tariff sheet is being filed to reduce 3L Communications Missouri, LLC's ("3LCom's") intrastate switched access rates to comply with the directives of the Federal Communications Commission's November 18, 2011 USF/ICC Transformation Order, FCC 11-161 (WC Docket No. 10-90). With these rate reductions, 3LCom's terminating intrastate switched access rates will be set at or below the corresponding rates for Southwestern Bell Telephone Company d/b/a AT&T Missouri. 3LCom is also reducing the originating local switching rate to mirror the corresponding rate of AT&T Missouri.

The proposed tariff sheet is being filed with an issue date of June 4, 2013 and effective date of July 4, 2013 (in order to allow the full thirty (30) days required by law from date of receipt until effective date). 3LCom apologizes for the short delay between the requested July 4, 2013 effective date and the July 2, 2013 effective date discussed in the FCC's Order.

Thank you for your attention to this matter.

Very truly yours,

3L COMMUNICATIONS MISSOURI LLC
