**ORDER GRANTING REQUEST FOR A LOCAL  
PUBLIC HEARING AND SUSPENDING TARIFF**

Issue Date: October 10, 2012

Effective Date: October 10, 2012

**Background**

On January 31,<sup>1</sup> R. D. Sewer Company LLC (“R.D. Sewer”) initiated a small water company rate increase action pursuant to Commission Rule 4 CSR 240-3.050. On August 28, Staff and R.D. Sewer filed a Disposition Agreement (“Agreement”) that included comprehensive accounting schedules, a review of R.D. Sewer’ customer service and business operation, and example tariffs designed to implement the agreed-upon revenue requirements. On September 5, R.D. Sewer filed revised tariff sheets reflecting certain rate and language changes to bring the tariffs into full conformity with the Agreement. The tariff sheets bear an effective date of October 22.

**Public Counsel’s Response**

The Office of the Public Counsel (“Public Counsel”) did not join in the Agreement. Instead, on October 4, Public Counsel requested a local public hearing. Public Counsel

claims that the Agreement overstated R.D. Sewer' revenue requirement and recommends an unreasonable return on equity. Public Counsel further requested that the Commission suspend the tariff to allow for time to receive further customer comment. This is sufficient for the grant of a public hearing.

The time-line filed by Staff, taken from the timeframes listed in Commission Rule 4 CSR 240-3.050(5), contemplates holding a local public hearing on, or around, November 1. Additionally, Commission Rule 4 CSR 240-2.110(1) requires the Commission to set the time and place for hearings and serve notice as required by law. Section 536.067(4), RSMo 2000, and Section 386.390.5, RSMo 2000, require at least ten days notice be given prior to a hearing. In complying with its statutory mandate, and taking into consideration the expedited nature of the small water company rate increase procedure, the Commission will set the date for the local public hearing, by separate order, that is as reasonably close to November 1 as is practical.

### **Tariff Suspension**

Because the date for the local public hearing likely will be beyond the effective date for the tariffs, the Commission will suspend the tariffs.

### **THE COMMISSION ORDERS THAT:**

1. The following revised tariff sheets filed by R.D. Sewer Hills Water Company, Inc. on September 4, 2012, and assigned Tariff File No. YS-2013-0112, are suspended until December 31, 2012, or until otherwise ordered by the Commission:

3. The Commission will set a local public hearing by separate order.
4. This order shall become effective immediately upon issuance.
