Dear Mr. Reed:

Attached for electronic filing are revised tariff sheets for Windstream Missouri, Inc.'s MO P.S.C. Tariff No. 3. The following tariff sheets contain the revision:

<u>Section</u>	<u>Title</u>	<u>Pages(s)</u>
17	Switched Access Rates	412.1

This filing is submitted in order to correct rates which were inadvertently switched and to insure mirroring of the interstate rates. When filed the Tandem Switched Termination and Tandem Switched Facility rates were inadvertently switched, however billing was implemented correctly to mirror the required interstate rates. Windstream is filing this tariff with an issue date of August 17, 2016 and an effective date of September 16, 2016.

If there are any questions, please call me at (501) 748-6856.
