Jefferson City, MO 65101

**Re: LDMI Telecommunications, Inc. Name Change to LDMI Telecommunications,
Inc. d/b/a Cavalier Telephone and d/b/a Cavalier Business Communications**

Dear Ms. Dale:

The original and two (2) copies of this letter is filed as official notification that LDMI Telecommunications, Inc. is changing the name under which it provides telecommunications services in Missouri to LDMI Telecommunications, Inc. d/b/a Cavalier Telephone and d/b/a Cavalier Business Communications. The Company will provide traditional residential telecommunications services under the Cavalier Telephone name and traditional business telecommunications services under the Cavalier Business Communications name. Included with this filing are the Registrations of Fictitious Name filed with the Office of the Secretary of State of Missouri. Customers have been notified of the name change.

The following replacement tariffs are being filed to reflect the name change:

LDMI Telecommunications, Inc. d/b/a Cavalier Telephone P.S.C. MO. Tariff No. 1 cancels and replaces LDMI Telecommunications, Inc. P.S.C. MO. Tariff No. 4 for Competitive Telecommunications Service (IXC).

LDMI Telecommunications, Inc. d/b/a Cavalier Business Communications P.S.C. MO. Tariff No. 1 cancels and replaces LDMI Telecommunications, Inc. P.S.C. MO. Tariff No. 4 for Competitive Telecommunications Service (IXC).

This name change does not affect the rates, terms or conditions of services currently provided to the Company's Missouri customers; accordingly no changes have been made to the tariffs, except to reflect the Company's new name and to sequentially number the pages. Additionally, the "Issued By" name in the tariff footer has been updated, as the person currently listed is no longer with the Company.

LDMI is Evolving!

Same Great Service with a New Name

Beginning this month, LDMI will begin merging with Cavalier Telephone. The two companies together will provide the nation's strongest competitive alternative to the giant monopolies of Bell and Cable.

Changes you will notice are primarily the name of the company and the look of your future monthly bills. The new bill format will provide greater detail about your account activity and call details. This is a positive change that many customers have asked for.

Watch for a New Look of Your Bill in the Coming Months

Take a Closer Look at Cavalier

Started in 1998, Cavalier Telephone began with the mission of providing customers an alternative choice for telephone and Internet service. Cavalier's own billion dollar state-of-the-art fiber optic network allows you to get significant savings because Cavalier doesn't have the huge overhead costs of the monopoly telephone company. You get cutting-edge technology voice, data, and Internet services at rates up to 30% lower than the competition.

Cavalier Facts at a Glance

- Cavalier serves more than 550,000 residential customers and 85,000 business customers
- Cavalier is one of the few remaining competitive alternatives to the giant monopolies
- Cavalier thrives through innovation and providing a better consumer value while still providing excellent customer service
