Re: Notice of Election and Withdrawal of AT&T Communications of the Southwest, Inc. d/b/a ConQuest Tariffs Pursuant to §392.461, RSMo, enacted by House Bill No. 338

Dear Mr. Reed:

As a result of recent changes in state law governing the regulation of telecommunications services in Missouri, §392.461, RSMo was enacted on August 28, 2011 by House Bill No. 338. Section 392.461 allows telecommunications companies, upon notice to the Missouri Public Service Commission ("Commission"), to elect to be exempt from the requirement that they offer retail services to residential or business end users only through tariff, and to withdraw such tariffs. However, the law requires them to publish generally available retail prices on a website.

AT&T Communications of the Southwest, Inc. d/b/a ConQuest ("the Company") hereby gives the Commission notice of its election to be exempt from tariff filing requirements relating to, and of its intent to withdraw, the below-listed tariff.

- Message Telecommunications Services Tariff, P.S.C. MO No. 1

This Notice of Election and Withdrawal shall become effective May 1, 2012. The Company will make available its rates, charges, terms and conditions for its retail telecommunications services on its website at www.att.com/servicepublications.

Please refer any questions on this matter to me on 314-331-1610.

Very truly yours,

/s/ Alan Kern

I certify that a copy of the foregoing, including attachments, is being sent via e-mail to the Office of Public Counsel at opcservice@ded.mo.gov this 30th day of March 2012.
